MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

No marks amounting to less than one-sixth in a voluntary subject will be counted towards the total.

9. A candidate who obtains the number of marks prescribed for passing, but who may not be successful in the competition, will be allowed to compete once again at the next examination without undergoing a fresh medical examination, although he may then be over-age; but no candidate will be allowed to compete more than twice.

10. Any candidate who fails to appear at the next examination after he has obtained a nomination will not be allowed to present himself without a fresh nomination, except in the case of illness, certified by a physician or surgeon, approved by their Lordships, in which latter case non-appearance will have the effect of unsuccessful competition, entitling the candidate to present himself at the following examination only.

11. Every flag officer (except an admiral superintendent of a dockyard), on hoisting his flag will be allowed . . . 8 competitive nominations. Every commodore of the first class . . . 2 . . . " . . . "

Every captain appointed to the command of a ship of whatever class (except captains of stationary ships, captains superintendent of dockyards, or victualling yards, and the captain of the yacht) . . . 1 . . . " . . . "

but no officer will be allowed to exercise this right a second time within three years; and no captain appointed to a ship during her commission will be allowed a nomination if the right has been exercised within a year during the same commission by a previous captain.

Officers having nominations must exercise their privilege before the 15th April for the June examination, and before the 1st October for the November examination. If they fail to nominate for the first examination after their appointment they will only be allowed to nominate for the following examination.

If a candidate, nominated for the first examination at which an officer can exercise his privilege, fails to pass the test at the medical examination, the officer will be allowed a fresh nomination for the following examination, but in no other case. No fresh nomination will be allowed where the candidate fails to pass the test at the examination under the Director of Education.

12. Seven nominations will be given annually to the colonies, under the regulations hitherto in force as to nomination and examination; but the limits of age will not be from 12 to 18½ if examined before the 15th October, 1870—and from 12 to 13 if examined after that date.

Cadets passing in the colonies will, in all other respects, be subject to these regulations, and must be at once sent to England to undergo the course of training.

Printed examination papers will be sent out to Commanders-in-Chief and Senior Officers on foreign stations, under seal, and the candidates' examination papers, with a report of the marks awarded at the examination, are to be forwarded to the Admiralty (should the candidate succeed in passing), together with the duplicate certificate of health.

18. For all cadets, including colonial cadets, entered under these regulations after the examination in August 1869, the annual rate of payment will be, as at present (40*l.* a year), during the year 1870, and afterwards at the rate of 70*l.* per annum for the period in the "Britannia," and 50*l.* for the year in the sea-going training ship, to be paid half-yearly, in advance, to the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the candidates nominated at each half yearly examination a number, not to exceed 12, being sons of Officers of the Royal Navy or Marines, or of civil officers under the Board of Admiralty, with respect to whom the annual payment for the two years in the "Britannia" will be 40*l.* only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the cadets.

In the event of the full number so selected not succeeding in the competition, their Lordships will, if they think proper, make the number up from among the sons of officers as above who have succeeded at that examination.

14. Candidates who succeed in the competition will be appointed to the "Britannia."

15. The day of entry of those who pass in June is to reckon from the 15th July of the same year; of those who pass in November from the 15th January of the next year.

16. The period of training on board the "Britannia" will be, as now, four terms; but there will be two terms in each year, instead of three. The first term of each year will be

from February to July, the second from August to December.

The vacations will be—6 weeks at Midsummer, 6 weeks at Christmas, and a week at Easter.

17. There will be an examination at the end of each term, and an intermediate examination at Easter for cadets in their first year.

18. Cadets who join in August and who pass an unsatisfactory examination in December will be warned that they will be discharged at the following Easter if they do not show sufficient improvement. Cadets who join in February and pass an unsatisfactory examination at Easter will be similarly warned with respect to the examination in July.

Any cadet who passes unsatisfactorily at a subsequent examination will be discharged.

19. Notice will be given of the minimum number of marks which must be obtained at each examination.

20. At the examination at the end of the fourth term cadets will be classified according to their merits in study and conduct; and they will be allowed time for their service in the "Britannia" as follows:—

	Study.		"Very good" conduct.	
	Time allowed.		Time allowed.	
	Months.		Months.	
1st Class	9		3	
2nd Class	6		3	
3rd Class	None		3	

21. The examination and rating of cadets, as midshipmen, in the sea-going training ships is to be regulated according to the time notified in their certificates, thus:

Cadets who obtain 12 months' time will be rated as midshipmen at once on passing out of the "Britannia."

Cadets who obtain 9 months' time will have to serve 3 months

in the sea-going training ships before being rated as midshipmen.

22. After passing the final examination in the "Britannia" the midshipmen and cadets will be appointed to a sea-going training ship for one year.

23. Any cadet or midshipman who, at any time during his three years' probation, may be certified by the medical officer of the "Britannia," or of the sea-going training ship, to have become subject to any disease, or physical defect likely to render him unfit for service, will, on the circumstances being reported to their Lordships, be at once discharged.

24. After six months in the sea-going training ship as examination is to be held, and at the end of twelve months a second; and any midshipman or cadet failing to pass the test at either of these examinations will be at once discharged from Her Majesty's Service.

At the latter of these examinations they will be classified in three classes, both for seamanship and study.

25. The examination paper for the first examination will be submitted under seal to the sea-going training ship; and the work of the cadet or midshipman is to be returned under seal to the Admiralty.

26. Full time will be allowed to every midshipman or cadet for his period of service in the sea-going training ship; but additional time will be allowed to every midshipman or cadet whose conduct has been uniformly good, as under:—

	Months.
1st Class Seamanship	3
1st . . . Study	3

In the case of those who having gained 12 months in the "Britannia" gain also 6 months' time in the sea-going training ship, the rule as regards the age (19) of passing for lieutenant will be relaxed, and they will be allowed to pass at 18, provided they have completed the necessary service; but they will not be eligible for promotion from the rank of sub-lieutenant to that of lieutenant till they are 19 years of age.

27. The period of service required to enable officers to pass for lieutenant will be five years, including the time allowed in the training ships, but this rule will only apply to officers who served the Service under these Regulations.

28. The parent or guardian of every cadet will be required to provide outfit as under the present regulations, and to sign a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Royal Navy.

22. Cadets who entered the "Britannia" in December, 1868, or April 1869, will pass out in July 1870, and those who entered in August 1869, will pass out in December 1870. Three months' extra time will be allowed to cadets who entered in December 1868.

CADETS FOR NAVIGATING DUTIES.

20. Navigating cadets will be nominated solely by their Lordships—and in every respect, with the following exceptions, they will be subject to the above Regulations:—

Twenty-four are to be entered annually by competition, —12 at each half-yearly examination; 24 nominations are to be made for each examination.

The annual payment for navigating cadets will be 40*l.* for both the home and the sea-going training ships. Those who do not obtain the rating of Navigating Midshipman on passing out of the "Britannia" will be allowed an intermediate rate of pay of 2*l.* 3*d.* a-day (4*l.* 1*s.* 8*d.* a-year) until they obtain that rating.

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

Admiralty, 8th March, 1870.

(COLONIAL CADETS.)

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, 1870, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Entry, Passage to England, and Pay, &c., of Colonial Cadets.

1. Cadets examined in the Flag Ships abroad will, if they pass, be entered as Supernumeraries for Victuals only, and sent home in any Man-of-War or Transport about to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England, passage, including mess, at the public expense, is to be provided for them by Mail Packet, or by private Ship; the latter being preferred where the Packet fares are high.

2. They will not count time or receive pay until they join the "Britannia," and arrangements are to be made that, if possible, they may arrive in England a short time before the commencement of a term, i.e., before the 1st February or the 31st August; and Parents are to arrange for the payments, on their account, being received by the Accountant-General prior to the Cadets' joining the "Britannia."

By Command of their Lordships,

To all Commanders-in-Chief, &c.

(CIRCULAR No. 73—A. G.)

Admiralty, 4th October, 1870.

ALLOWANCES TO MIDSHIPMEN, CADETS, AND ASSISTANT CLERKS.

My Lords Commissioners of the Admiralty are pleased to direct that after the 31st of December, 1870, Commanding Officers are no longer to approve of Bills drawn by Midshipmen, Cadets, and Assistant Clerks.

In lieu thereof the Parents or Guardians will be called upon to pay to the Accountant-General of the Navy:—

£50 per annum for each Midshipman and Naval Cadet, £20 per annum for each Navigating Midshipman whose pay does not amount to 4*l.* a day, and the same for each Navigating Cadet and Assistant Clerk.

The payments are to be made by the Parents or Guardians half-yearly, in advance, and to commence for Midshipmen and Cadets from the date that the sums due for tuition in the Training Ships may cease to be payable, and for Assistant Clerks from the date of their entry into the Service.

The sums received by the Accountant-General will be held to the credit of these officers.

The Paymasters of the several ships in which the young officers may be serving are to make payment to them at the rates above stated, on the usual Form of Quarterly Pay List, using a separate sheet, and distinctly marking it "Private Allowances."

Proportionate monthly advances may be paid. Should any Midshipman or Cadet desire to draw less than £50 per annum he is at liberty to do so, provided he obtains the approval of his Commanding Officer, and can show that all his debts are paid. The sum thus saved would be carried by the Accountant-General to the credit of the succeeding or some following half-yearly claim on his Parents or Guardians.

When the pay of a Navigating Midshipman amounts to 4*l.* per diem, his friends will not be called upon to make any further payments to the Accountant-General, and the corresponding payments on board are to cease.

They are to cease for Midshipmen on attaining rank of Acting Sub-Lieutenant, and for Assistant Clerks when rated Clerks.

The Commanding Officers of Her Majesty's Ships are, immediately on receipt of this Circular, to furnish the Accountant-General of the Navy with a Return of all Midshipmen and Cadets of both Classes, and Assistant Clerks serving on board, with the names and addresses of their Parents or Guardians, in order that letters claiming the first half-yearly sum may issue before the 1st January next.

In like manner the Commanding Officers of Sea-going Training Ships are to furnish the Accountant-General half-yearly with a similar list of all Cadets discharged for General Service.

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

CIRCULAR No. 45.—W.

My Lords Commissioners of the Admiralty are pleased to direct that in future Navigating Lieutenants who have completed the necessary time to qualify them for First Class Ships, shall, if in England, present themselves for examination at the Hydrographic Department within six months after having completed such time; or, if serving abroad, within six months after their return to England.

An Officer failing to present himself within the limit of the said six months will not be considered eligible for examination, unless under some special circumstances to be approved, in each individual case, by their Lordships.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

REGULATIONS RELATIVE TO THE EXAMINATION OF CANDIDATES FOR THE APPOINTMENT OF ASSISTANT-SURGEON IN THE ROYAL NAVY.*Admiralty, 4th Nov., 1868.*

The Right Honourable the Lords Commissioners of the Admiralty are pleased to direct, that the following Regulations, relative to the Examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted:—

1. That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with a Schedule containing the Regulations, and a printed Form, to be filled up by him, in accordance with the directions given therein.

2. As vacancies occur, the number of Candidates required will be ordered to attend for competitive examination at the Admiralty Office; but it is to be observed, that no person can be admitted as an Assistant-Surgeon into the Royal Navy, unless he can produce satisfactory evidence that his name has been placed on the Medical Register as legally qualified to practise both Medicine and Surgery according to the regulations established by the Medical Act. And further, he will be required to make a declaration that he is free from any mental or bodily disease, defect, or infirmity which could interfere with the efficient discharge of his duties as a Medical Officer in the Navy.*

3. Each Candidate will be required to produce—

II. A Certificate that he is not less than twenty, nor more than twenty-eight, years of age.

III. Certificates of attendance at Lectures, &c., and proof that subsequently to the age of eighteen he has actually attended a recognised Hospital for eighteen months, in which the average number of patients is not less than one hundred.

IV. Certificates that he has been engaged in actual dissection for twelve months, and that he has per-

formed the principal capital and minor operations on the dead body, under a qualified teacher.

4. On producing the above Certificates, he will be examined on the following subjects, viz. :—

Anatomy.

Surgery.

Physiology, or Institutes of

Medicine.

Practice of Medicine.

Chemistry.

Materia Medica.

Midwifery.

5. Although a competent knowledge of the above-mentioned subjects is all that is absolutely required in Candidates for the appointment of Assistant-Surgeon, a favourable consideration will be given to those who are acquainted with the collateral sciences more immediately connected with the profession, such as Natural History, Natural Philosophy, and the use of the Microscope in diagnosis.

6. Such Candidates as shall have been found in all respects competent for the appointment of Assistant-Surgeon, will be forthwith nominated to one of Her Majesty's Ships, or to a Naval Hospital at home; or, should their services not be immediately required, their names will be duly registered for early appointments as vacancies may occur. But it is distinctly to be observed, that Candidates admitted into the Naval Medical Service must serve in any Vessel to which they may be appointed; and that in the event of their being unable to do so from sea-sickness, their names cannot be continued on the Naval Medical List, nor can they, of course, be allowed Half Pay.

7. After completing three years' Full Pay Service, Assistant-Surgeons will be allowed to be examined for the rank of Surgeon before a Board of Naval Medical Officers assembled at the Department of the Medical Director-General of the Navy, but no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served five years, two of which must have been in a ship actually employed at sea.

8. Their Lordships have been pleased further to direct that a limited number of those Candidates, who pass the best examination on entering the Service, shall be promoted annually to the rank of Surgeon at an earlier period than would occur under ordinary circumstances; and that these promotions shall be awarded as follows:—

The Candidate who passes the best examination of his year—after five years' service.

The Candidate who passes the second best examination of his year—after six years' service.

The Candidate who passes the third examination of his year—after seven years' service.

Provided, however, that their second examinations are passed in an equally creditable manner, and that their conduct during the whole time they have been in the Service has in all respects been satisfactory.

By command of their Lordships,
HENRY G. LENNOX.

1. Vacancies for Appointments as Engineer Students in the Factories at Woolwich, Sheerness, Portsmouth, and Devonport are open to public competition.

2. The Lists of Candidates are kept by the Superintendents of these Dockyards, to whom all applications must be addressed before the 1st of May, or 1st of November, in each year. With a view of complying as far as practicable with the wishes of the Candidates as to their distribution among the several Factories, the candidates in their application for nomination are to write down the names of the four Factories in order of preference.

3. Candidates must not be less than fifteen nor more than sixteen years of age on the first day of the Examination. Proof of age will be required by Certificate of Birth, extract from Baptismal Register, or declaration before a Magistrate. Evidence of respectability and good character must also be produced on a form which will be furnished by the Superintendents of the Dockyards. They will not be admitted for examination until they have been pronounced fit for H.M. Service by the Medical Officers in the Yards.

Those who pass the preliminary test will then undergo a Competitive Examination in the remaining subjects, and the Candidates who display a competent knowledge of all the above subjects will be placed in one general list in order of merit, according to the number of marks gained, and will be eligible for appointment in existing vacancies. Those who do not succeed at the first examination will be allowed a second trial, if not over age; but they must apply to the Superintendents for a second nomination.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. A first-class certificate will be regarded, in respect of promotion, as equal to one year's service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

10. Engineer Students who may fail to attain the required standard for the scholastic examination at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Director of Education; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

11. The weekly pay of Engineer Students will be Rs. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

12. The most intelligent of the Students will be eligible for a more advanced education at the School of Naval Architecture, in accordance with the Regulations contained in the

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, of such other Officer as may be nominated for the purpose, and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, be fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, or on more than 123d. Ship, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose; but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Ad-Ad., or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships, C. PAGET.

MEMORANDUM.

Admiralty, March 15, 1866.

Engineer Officers will be examined by the Chief Engineers of the Dockyards only on the First Tuesday in every month, except under special circumstances.

CIRCULAR No. 14.—C. W.

Admiralty, 7th February, 1870.

(ASSISTANT CLERKS.)

My Lords Commissioners of the Admiralty having decided to raise the standard of Qualification for Assistant Clerks, are pleased to lay down the following regulations as regards examination:—

1. Every candidate will be required to pass the medical examination according to the prescribed regulations, under the direction of the Medical Director-General of the Navy at Somerset House, and must have been found physically fit for the Royal Navy before going up for the Educational Examination.

MEMORANDUM—THE APPOINTMENTS TO ROYAL NAVAL COLLEGE FOR STUDY.

Admiralty, 27th August, 1869.

Cases having occurred of Officers on half-pay having made application for, and received appointments to, the Royal Naval College twice, and even three times, in a few years, the Lords Commissioners of the Admiralty consider that such a course is not attended with beneficial results to the service generally, and should be discontinued, as it has the effect of preventing other officers (who have not previously had the advantage of going through the course of study at the College) from being able to do so, the number of vacancies, as well as the accommodation for officers, being limited. Their Lordships are therefore pleased to direct that in future officers on half-pay who have once been appointed to the College for study, and remained there for the period allowed, "12 months," or who may have quitted, at their own request, before completing the course of study, shall not be eligible for reappointment until a period of six years has elapsed from the date of their former appointment.

Officers applying for appointments to study at the College are to state, when making their application, whether they have previously studied at the College, and if so, at what date.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any

part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

CIRCULAR No. 36.—LMM.

Admiralty, 24th June, 1869.

BEARDS AND MOUSTACHES IN THE ROYAL NAVY.

The Lords Commissioners of the Admiralty have had under their consideration the provisions of the Chapter 44, Article 43, page 336 of the regulations, forbidding the wearing of Beards and Moustaches by Officers and Men of the Fleet.

Representations having been made to their Lordships that it would conduce to the health and comfort of men, under many circumstances of service, were they to be permitted to discontinue the use of the Razor on board Her Majesty's Ships, they have been pleased to issue the following Regulations:—

1. Clause 43, Chapter 44, of the Regulations is repealed, and Officers and Men on board Her Majesty's Ships, including the Royal Marines when embarked, will in future be permitted to wear Beards and Moustaches.

2. In all cases, when the permission granted in Clause 1 is taken advantage of, the use of the Razor must be entirely discontinued. Moustaches are not to be worn without the Beard, nor is the Beard to be worn without the Moustache.

3. The Hair of Beard, Moustaches, and Whiskers, is to be kept well cut and trimmed, and not too long for cleanliness. The Captain is to give such directions as seem to him desirable upon these heads, and to establish, so far as may be practicable, uniformity as to length of the Hair, Beard, Moustaches, and Whiskers of his Men; observing that those Men who do not avail themselves of the permission to wear Beard and Moustaches will wear their Hair and Whiskers as heretofore.

4. Officers of Divisions will take special care that the provisions of Clauses 2 and 3 are strictly attended to by such of their Men as may avail themselves of the permission contained in Clause 1, and failure in these respects is to be considered as an offence under Article C in the Table of Summary Punishments.

5. Royal Marines on shore will follow the Regulations of the Army with regard to Beard and Moustaches.

6. Their Lordships desire that it may be distinctly understood that permission now given to wear Beards and Moustaches is not necessarily to be considered as permanent, and that if neatness and cleanliness are not observed this order will be revoked.

By Command of their Lordships,

W. G. ROMAINE.

To all Commanders-in-Chief, &c.

CIRCULAR No. 67.—LMM.

Admiralty, 8th December, 1869.

BEARDS AND MOUSTACHES FOR ROYAL MARINES.

1. The Lords Commissioners of the Admiralty have observed that the provisions of Circular No. 36, of 24th June, 1869, have not been uniformly interpreted as to the Royal Marines embarked on board Her Majesty's Ships, and they are pleased to direct as follows:—

2. Officers and Men of the Royal Marines may wear their Moustaches *only*, when embarked, should they prefer so to do.

3. Considering the hardships that might be involved, in compelling such Officers and Men of the Royal Marines, as elect to wear both Beards and Moustaches when embarked, to shave their Beards on being discharged to Head Quarters on shore, their Lordships are pleased to direct that the permission to wear Beards on board ship, granted by Circular No. 36, shall be extended to all Officers and Men of the Royal Marines on shore.

4. In other respects, the provisions of the above Circular apply to Royal Marines on shore, as well as aforesaid, and the attention of Commanding Officers is especially called to the necessity of enforcing neatness and cleanliness.

By command of their Lordships,

VERNON LUSHINGTON.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals	11
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	49

Total 85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

2nd. An addition of 7*th*, 6*th*, per day to be given to applicants, by Seniority, from the 12*th* 6*th* and 10*th* 6*th* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be

entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3*rd.* The vacancies upon the 11. List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 11. 6*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 11. 6*s.* per diem, and the remaining 75, 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.—

B. 1*st.* As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flag, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2*nd.* By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3*rd.* By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay.

F. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 60, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1*st* August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25*th* June, 1851, and 50*th* January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.) And the Officers on the List are removed to the O*DE* List as vacancies occur, under Order in Council of 22*nd* February, 1870.

1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present rank, to be placed on a Retired List, and receive Retired Pay as follows:

If on 10*s.* 6*d.* Half-pay List when retired . . . 18*s.* per diem.
If on 12*s.* 6*d.* 20*s.* " "
If on 14*s.* 6*d.* 21*s.* " "

Such Officers to assume the Rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10*s.* 6*d.* Half-pay List when retired . . . 18*s.* per diem.
If on the 12*s.* 6*d.* 20*s.* "
If on the 14*s.* 6*d.* 21*s.* "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in Paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years; and, if less than that period of service, at the rate of 18*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

5. A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1*st* August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day; subject, however, to the proviso contained in Paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1*st* August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now or who may be in future, retired under the provisions of the Order in Council of 1*st* August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1*st* of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9*th* July, 1864. Those at present on the Active List who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay

of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 2*s*. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to

be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*s*. 6*d*. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 7*s* 6*d*. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

- I. 1. By selecting 50 Commanders to be Captains, as above specified.
2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.
3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May, 1863.*)
4. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)
5. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

1856.

1. That the List of Captains on the Reserved List, established by Order in Council of 26th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 26th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thereforward one Officer will be promoted in each vacancy.

1860.

- V. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a

period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captains on reaching the age of 60, without further addition to their Retired Pay.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commissioner Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatwain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatwains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatwains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay;* but by Order in

Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full Pay, may be granted Pensions, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marrying; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marrying. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers*.—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension, and the Pension given to a Mother on account of her Son will be forfeited on re-marrying, and will not be restored in the event of her again becoming a Widow.

14. *Sisters*.—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry or be in any other manner sufficiently provided for.

15. *Children of Officers*.—An Allowance on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shewn that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their Family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:

- 1st. Children of Officers killed in action, or drowned.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-Pay.

17. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for;—and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be

* See Circular No. 47, 1 December, 1864.

shows that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies

whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid; made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer

appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have no commission that one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be all divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of a sloop.

And We further direct that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share according to his class, as set forth in the following scale.

Her Majesty has been pleased, by Her Order in Council, of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1861, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding

Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

4. All money distributable among the officers and crew of any of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended under the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of some official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be transferred to the said account.

Gazette Notice.

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

Prize Remittances.

6. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying officer shall be (in the several cases hereinafter mentioned) the following, namely:—

(1.) Where the payee resides in England, Wales, Scotland, the Isle of Man, or the Channel Islands, the minister and churchwardens or elders of the parish or district parish wherein the payee resides.

(2.) Where the payee resides in Ireland, the inspector or sub-inspector of constabulary for the county, and a churchwarden of the parish wherein the payee resides.

(3.) Where the payee resides at Sierra Leone, the Commissariat officer there.

(4.) Where the payee resides in any other British possession out of the United Kingdom, two of the principal merchants or tradespeople of the place of residence; and the ministers, churchwardens, elders, inspectors, sub-inspectors, commissariat officer, merchants, and tradespeople aforesaid (when respectively the proper certifying authority), are hereby required to furnish, in the several cases in this Order provided for, such certificates as are requisite for the purposes of this Order, in case they respectively are satisfied of the truth of the matter required to be certified.

7. At a place where there is not any resident naval cashier, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

8. Remittance bills shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all respects with the instructions for such certificates as are the authority for payment addressed to the paying officer.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying officer is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment on that occasion shall be made to the person producing—

(1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—

(3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers, and assistant engineers of the second class.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded, if it is unclaimed, the Admiralty may, if they see

good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—I.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,
W. G. BOMAIER.

A PROCLAMATION.

GEORGE R.R.

WHEREAS by an Act passed in the Fifty ninth Year of the Reign of His present Majesty, cap. 25, intituled, *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight-Money, for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, That from and after the Eighth Day of April, One Thousand Eight Hundred and Nineteen, all Freight Money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty, his Heirs and Successors, of Gold, Silver, and Jewels, or of any other Article which may be by special Order received on board the said Ships and Vessels, and for which Freight shall be payable, shall be paid at such Rate, and distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such Manner, as His Majesty, his Heirs and Successors, shall, from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; and that no Freight-Money or Reward shall hereafter be demanded, paid, received, or detained by, to, or for the use or on account of any Person or Persons, for the Conveyance on board of any of the Ships and Vessels of His Majesty, his Heirs or Successors, of any Gold, Silver, or Jewels, or any other Article which may be by special order received on board the said Ship or Vessel, and for which Freight shall be payable, other than for the purposes, and by the Person or Persons, in the Proportion, at the Rates, and in the Manner so to be paid and allowed by Proclamation or Proclamations; and that all Bargains, Contracts, Covenants, and Agreements made or entered into for the Payment of any Freight-Money, for or in the Name or on the Account of Freight for the Conveyance of Gold, Silver, or Jewels, or other Articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any Rate, or for any other Purpose, or by or to any other Person or Persons, or in any other Manner or Proportions than as aforesaid, shall be and the same are hereby declared to be utterly void. We do therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board the said Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which by Law he might be liable, in Form or to the Effect following:

(Here insert Bill of Lading in the usual Form.)

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer

commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages, shall be as follows, viz.

[For Rates see Proclamation dated 23 April, 1891, page 282.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, per Cent., according to the above Scale, shall be entered on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freight shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Provision hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief to be entered in the said Order Book

an Engagement in Writing in Form or to the Effect following:

I, *A. B.*, am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ship or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer, and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itera*, among the Admirals and Captains who may be entitled to share therein, according to the Service performed by the different Ships respectively; and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, all they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1831.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treas-

ure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIDNEY HERRARD.

CIRCULAR No. 29.—I.

Admiralty, 18th August, 1866.

(GREENWICH HOSPITAL, PROPORTION OF FREIGHT AGR. FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.)

My Lords Commissioners of the Admiralty having had under their consideration the mode at present adopted, with regard to the payment of the Greenwich Hospital Proportion of Freightage, for the conveyance of Treasure in H.M. Ships, are pleased so lay down the following regulations to be observed for the future:—

That the Returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, be forwarded to the Accountant-General of the Navy, instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July, 1819.

That the Half-Yearly Returns from the Commanders-in-Chief be sent, as heretofore, to my Lords, to be forwarded by them to the Accountant-General of the Navy.

That the Commanding Officers of H.M. Ships, upon the receipt of the Freightage on the Treasure conveyed, are to pay the proportion due to Greenwich Hospital to the Paymasters of their respective Ships, who are to debit themselves in their Public Cash Accounts under the Head of "Freightage on Treasure due to Greenwich Hospital," treating the same as a part of their Public Cash, available for their Contingent Payments, and transmitting Vouchers with their Cash Accounts, descriptive of the sums received, in order that these transactions may be duly examined in the Department of the Accountant-General of the Navy, and the amounts paid over to the credit of the "Greenwich Hospital Income Account."

The correspondence on the subject of "Freightage due to Greenwich Hospital" should be addressed to the Accountant-General of the Navy.

By Command of their Lordships,

W. G. ROMANEY.

To all Commanders-in-Chief, &c.

REGULATIONS FOR THE ADMISSION OF SEAMAN AND MARINES TO THE BENEFITS OF GREENWICH HOSPITAL.

The undermentioned persons are to be considered as eligible for the benefits of Greenwich Hospital if infirm and helpless, or permanently or temporarily unable to maintain themselves:—

1. All Naval and Marine Pensioners who have been granted Naval Pensions for Life.

2. All Seamen and Marines who have served for ten years continuously, or with short intervals.

3. All Seamen and Marines who, having served for less than ten years, have been within six months discharged, or invalided on account of disease or wounds contracted or received in or by the Service.

4. All Seamen and Marines who, having served for less than ten years, were at any date discharged or invalided

on account of disease or wounds contracted in or by the Service, and who, from the date of their discharge, have been infirm or helpless, or permanently or temporarily unable to maintain themselves.

5. All other Seamen and Marines whose claims may be considered special and exceptional, not coming within the above mentioned classes.

Any Seamen or Marines coming within one of the above classes, whose claims to the benefits of Greenwich Hospital have, after examination, been allowed, are, instead of being admitted into Greenwich Hospital as heretofore, to be either received into Naval Hospitals or Infirmaries, to be there maintained temporarily or for life, according to circumstances, or they may be allowed

such a Special Pension from the funds of Greenwich Hospital as will, with their existing Pensions, if any, make up an amount not exceeding 1s. 6d. a-day.

All applications from Men (in receipt of Pensions) for the benefit of Greenwich Hospital, are to be made to the Staff Officer of Pensions for the Districts in which they may reside, as at present.

All applications from Seamen and Marines (non-Pensioners) for the benefits of Greenwich Hospital, are to be made to the Secretary of the Admiralty by letter.

A Medical Survey will be held on each Applicant to ascertain the degree in which he can contribute towards his own support, and whether he would be benefitted by hospital treatment.

On this report a decision will be formed by their Lordships as to the claims of the Applicant upon the funds of Greenwich Hospital, and the nature of the assistance that should be afforded to him.

No Man is to be admitted permanently or for treatment at the Naval Hospitals or Infirmaries without the sanction of their Lordships, except in cases of urgent necessity, and each such case is to be immediately reported to their Lordships by the Superintendent of the Hospital or Officer in charge.

Men admitted to Greenwich Hospital before the 6th of April, 1863, and who have been transferred to Naval Hospitals or Infirmaries, will be permitted to retain the money allowance on which they were in receipt prior to their transfer. The money allowances of those ad-

mitted after the 6th of April, 1863, will be considered by their Lordships on the understanding that the maximum shall not exceed 1s. a-week.

The Wives and Children admitted or transferred, who may be dependent upon them, and proved to be deserving objects, may receive such periodical allowance as their Lordships may deem desirable, on the understanding that such married allowances are in no case to exceed 2s. a-week, the same to be paid to the Wives or persons having the charge of the Children. The Pensions of Men admitted to Naval Hospitals or Infirmaries will be paid in aid of the Funds of Greenwich Hospital, in support of their maintenance.

All Men admitted to the benefits of Greenwich Hospital who may apply at Naval Hospitals or Infirmaries will be allowed medical advice and medicines gratis, upon the approval of the Principal Medical Officer of the Establishment, and under such regulations as the Superintendent may deem necessary to prevent abuse and irregularities.

All Men entitled to the benefits of Greenwich Hospital living at a distance from Naval Hospitals or Infirmaries will, if ordered by the Admiralty to be admitted to such Hospitals or Infirmaries, be furnished with Railway Passes, and on their discharge therefrom they will be again furnished with a similar means of transit to their homes.

No Man admitted into a Naval Hospital or Infirmary is to be allowed to marry while an inmate.

Admiralty, 1st October, 1863.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY, FOR THE ADMISSION OF BOYS TO GREENWICH HOSPITAL SCHOOL.

(Under the approval of Her Majesty's Order in Council, dated 9th August, 1870.)

The school consists of 800 boys, the sons of petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy or coast guard, and of other seafaring persons.

All claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in the following order of precedence, special consideration being given to length of service at sea.

1. Orphans, both parents dead.
2. Sons of fathers killed, drowned, deceased, wounded, or seriously maimed in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.
3. Those whose fathers having served in the Royal Navy or Marines, are dead.
4. Those whose fathers are serving, and whose mothers are dead.
5. Sons of Naval Pensioners, sons of seamen and marines now serving, both parents living.
6. Sons of seamen and marines * entitled to the benefits of Greenwich Hospital, not included in the foregoing classes.
7. Sons of other seafaring persons.

N.B.—The sons of commissioned and other officers are not absolutely excluded, provided that the peculiar circumstances of their case render them eligible for this charity.

Applications for admission are to be made to the Secretary of the Admiralty (Greenwich Hospital Branch), London, when the necessary forms will be sent, which when properly filled up, must be returned as directed, with the two following certificates:

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

The services of the fathers upon which the claim is founded will be ascertained at the Admiralty, and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between 9 and 10½ years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic, and the applications must be registered between the ages of 9 and 10.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain 13 years of age, unless either they succeed by their talents, industry, and good conduct, in obtaining admission into

the Selected Division after competitive examination, or volunteer, with the consent of their parents or guardians, to enter the Royal Navy as boys.

In the latter case, if they are reported physically fit, they will be retained until 14½ years of age, and then entered for continuous service.

Vacancies occasioned by boys unwilling or unfit for service in the Royal Navy will be filled up by selection from the sons of seamen and marines who are 13 years of age, fit and willing for service in the Royal Navy, and able to pass a sufficient examination in reading, writing, and arithmetic.

Applications for admission of boys at the age of 13 must be made six months previously, in the same manner as above directed, and the parents or guardians must sign an agreement, before the boy is admitted, that he shall serve in the Royal Navy for a period of 10 years' continuous and general service from the age of 18, in addition to whatever period may be necessary until he attain that age.

The "Selected Division" will consist of 80 boys. At the age of 14 the boys in this division of the school will be required to enter into an agreement, jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. They will then be retained in the school until 15½ years of age, otherwise they will be discharged.

The education of the boys in the General School will comprise the usual elements of a sound English education, alternating with practical seamanship and other industrial occupations designed to prepare them for a seafaring life.

In the "Selected Division," elementary mathematics and mechanics, navigation, nautical astronomy, and French will be taught.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of a child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN, AND MARINES.

CIRCULAR No. 31.—N.

Admiralty, 23rd August, 1866.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purposes of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumb; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undementioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the

bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptoxis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gust, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, homoptysis, bronchitis, dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

By command of their Lordships,
HENRY G. LENOX.

To all Commanders-in-Chief, &c.

Present:

The QUEEN'S most excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th February, 1870, in the words following, viz.:

"Whereas it is provided by Section 83 of an Act passed in the 39th year of Your Majesty's reign, entitled 'An Act to make provision for the Discipline of the Navy,' as follows:—

"Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act, to such extent and under such regulations as Her Majesty, Her Heirs and Successors, by any

Order or Orders in Council, shall at any time or times direct."

"And whereas we are of opinion that it would conduce to the better maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces may be embarked if the following Regulations, were established, namely:—

"1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed into a separate Corps or Battalion, shall be embarked as passengers in any of Your Majesty's Ships, the Officers and Soldiers shall, from the time of embarkation, strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the Ship as well as of the Superior Officer of the Squadron, if any, to which such Ship may belong.

"2. If any Officer or Soldier shall commit any act against the good order and discipline of the Ship in which he is embarked, the Commanding Officer of the Ship may, by his own authority and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such Officer or Soldier to his Superior Officer, or if there be no Senior Officer present to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any Officer or Soldier commits any act which, in the opinion of the Commanding Officer of Troops, requires a trial by Court-Martial, such Commanding Officer shall cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to the Military Law.

"No Military Court-Martial shall be held on board any of Your Majesty's Ships in commission.

"4. If any private Soldier shall commit any act against the good order and discipline of the Ship, the Commanding Officer of the Ship shall, if he thinks the case requires the summary infliction of punishment, apply for the concur-

rence, in writing, of the Commanding Officer of the Troops, as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence in writing shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly.

"5. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers.

"6. If the Commanding Officer of the Troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the Ship.

"Your Majesty's Secretary of State for War, and His Royal Highness the Field Marshal Commanding-in-Chief, have signified their concurrence in these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. A seaman or marine discharged from one ship to another shall not be rated lower in the latter ship on or in consequence of such discharge or transfer.

Allotments.

Where the Wife, being allottee, dies or deserts her children, or so misconducts herself as to be considered undeserving of support from her husband, the Admiralty may stop further payment. And if in any such case there is a Child of the Seamen or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

Unclaimed Pay.

Pay shall be deemed forfeited if within six years from the 1st day of January next following the time when it became payable—

(1) If it is not claimed; or

(2) A claim made to it is not proved to the satisfaction of the Admiralty.

The Admiralty may, however, if they see good cause, in any case remit such forfeiture.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay, but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;

And in favour of some one or other of the following persons by name:

The Drawer's Wife:

" Father or Mother;

" Son or Daughter;

" Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Cash Balance.

CIRCULAR No. 13.—P.

Admiralty, 5th February, 1870.

LONG SERVICE AND GOOD CONDUCT MEDALS.

My Lords Commissioners of the Admiralty having had under their consideration the effect which their recent order as to the discharge of all men on completing their time for Pension will have on their chances of obtaining Long Service and Good Conduct Medals, which by the present Regulations can only be awarded when ships are paid off; I am to acquaint you that, in future, Commanding Officers of Ships may recommend men for Medals during the period of a Ship's Commission, provided no more are recommended in the course of three years than would be allowed on the paying-off of the ship, according to the scale laid down in Article 5, page 247, of the Queen's Regulations.

Thus, the Commanding Officer of a Ship with 400 men may recommend four men for Medals with gratuities, and four men for Medals without gratuities in the course of three years.

Commanding Officers are not, however, in the first or second year of Commission, to recommend men for the whole number of Medals allowed to a Ship, but are to spread their recommendations as equally as possible over a period of three years.

No Medals will be given on the paying-off of Her Majesty's Ships unless the number allowed for the complement has not been awarded during the period of Commission.

Coastguard Ships, Receiving Ships, Store Ships, and other Stationary Ships abroad, will be included in this arrangement.

Supernumeraries are not to be reckoned as part of the Ship's complement for the grant of Medals.

In recommending them for Medals under this Circular, Commanding Officers are to report how many Medals have been already given during the period of the Ship's Commission, and the dates when they were awarded.

By Command of their Lordships.

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

CIRCULAR No. 68.—P.

Admiralty, 30th August, 1870.

(CERTIFICATES FOR WOUNDS AND HURTS.)

With reference to Article 7, page 240, and 35, page 398, of the General Regulations, on the subject of Hurt Certificates being given to Officers and Men who have been injured on duty, and who are in consequence of such injuries considered unfit for further service; and with reference to Article 25, page 394, of the General Regulations, which directs that Medical Officers are to specially report cases of hurts which may constitute a claim hereafter for a pension; my Lords are pleased to issue the following directions, great inconvenience having been experienced from the want of proper documents in settling the claims of applicants for compensation for minor injuries received, or alleged to have been received in the Service, years before the men have been ultimately discharged to Pension.

2. In future, Parchment Certificates for Injuries (Form No. 12) are to be given before the men leave the Ship or Marine Division in which they were injured, in all cases of wounds or hurts received in an act of duty, whether such injury disables the men from continuing in the Service or not.

3. The nature of the injury is to be described minutely, together with the manner in which it was received, the particular act of duty on which the man was employed at the time, and whether he was sober or not.

4. They are not to be given for wounds or hurts received on leave (except in an act of duty whilst on leave), or occasioned by drunkenness or other improper conduct, but are to be confined solely to injuries received in an act of duty.

5. In all reports of injuries, including the entries made in the Sick List, Medical Officers are to be careful to state how the injury was received, and whether or not the man was engaged in an act of duty, and sober at the time.

6. Care must also be taken that the Certificates are signed, if possible, by some Executive Officer who witnessed the accident, in addition to the Commanding Officer of the Ship or Marine Division and the Surgeon.

7. Certificates for Rupture to be given under the same regulations as at present.

8. A notice is to be posted up on board all Ships, and at all Coast Guard Stations and Marine Barracks, to the effect that no injuries received after the date hereof will be considered when men are finally discharged from the Service, unless they can produce proper Hurt Certificates.

REGULATIONS RESPECTING FOREIGN ORDERS, &c. 427

9. Notations of injuries received in an act of duty are also to be made on Men's Parchment Certificates before they are discharged from their Ships or Divisions.

10. These Regulations are to apply to the Fleet, Coast-guard, and Marines, afloat and ashore.

By Command of their Lordships.

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

At the Court at Osborne House, Isle of Wight,
the 5th day of February, 1870.

PRESENT:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz:—

"Whereas We have under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to establish the various Commuted Allowances proposed in the following Table:—

Station.	Rank.	Commuted Allowance.
Portsmouth	Commander-in-Chief . .	£. 500
Devonport . .	Ditto . .	500
Sheerness . .	Ditto . .	400
Queensdown . .	Ditto . .	250
Portsmouth	Secretary to Com:-in-Chief	40
Devonport . .	Ditto ditto	40
Sheerness . .	Ditto ditto	40
Queensdown . .	Ditto ditto	40
Portsmouth	Admiral Superintendent .	200
Devonport . .	Ditto ditto	200
Sheerness . .	Captain ditto	125
Chatham . .	Ditto ditto	125
Pembroke . .	Ditto ditto	125

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queenstown, and any other Commander-in-Chief who may be appointed before that date.

"And whereas We are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendent of the Dockyard at Home is no longer required, and that unnecessary expense is consequently occasioned to the public; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that, from the first of October last, Commanders-in-Chief at Home and Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR HELPS.

CIRCULAR No. 43.—S.

Admiralty, 22nd July, 1869.

(POSTAGE OF OFFICERS' LETTERS.)

The Lords of the Treasury have notified to their Lordships, that the privileges at present accorded to the Correspondence, of Officers serving on board Her Majesty's Ships abroad, are to be withdrawn, and that, after the termination of the present year, the Officers of the Royal Navy will be placed on the same footing as the general public in regard to the postage of their letters.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later

than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's per-

mission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Gallopier Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CLARENDOFF.

Foreign Office, May 10th, 1855.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted, where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

1. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

2. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding the ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, who or to the Officer commanding the force in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or

Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decorations shall have been conferred, by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and sixty-six.

By Her Majesty's Command,

PANMURE.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1866, Instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 26th year of Our reign, intituled "a Warrant instituting a new Decoration, " to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of

attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor cross, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea;" and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the "London Gazette," and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument,

have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save

and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALFORD.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases where a Medal

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

In British Columbia a certain quantity of land is granted

in lieu of remission of purchase money. In the four other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer, as shown in the following scales:—

IN BRITISH COLUMBIA.

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " " "	500
Field Officers of 15 " " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

IN NEWFOUNDLAND, NATAL, CEYLON, AND WESTERN AUSTRALIA.

Field Officers of 25 years' service and upwards, in the whole	£ 600
Field Officers of 20 years' service and upwards, in the whole	500
Field Officers of 15 or less years' service, in the whole	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Although these scales refer only to Military Officers, they apply also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army, as prescribed in Her Majesty's Order in Council of 11th June, 1863.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, specifying his rank, length of service, and date of retirement.

ment. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the four other Colonies he may have purchased to the extent of his remission money.

At the expiration of two years from the date of such Location Ticket, the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* Settler in the Colony, and had not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown. No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

CIRCULAR, No. 3.—C.

(Circular of 3rd August, 1869, No. 46, revised.)

Admiralty, 6th January, 1870.

REGULATIONS RESPECTING NAVAL CADETS AND MIDSHIPMEN.

The Lords Commissioners of the Admiralty having decided—

- (1) To increase the time during which naval cadets will be under training, part of such time being spent in sea-going training ships, and the whole period being considered one of probation;
- (2) To introduce the system of limited competition for naval cadetships; and
- (3) Still further to reduce the number of naval cadets annually entered;

have been pleased to make the following regulations:—

1. Two examinations for naval cadetships will be held annually under the direction of the Admiralty Director of Education, viz., on the third Wednesday in June, and on the last Wednesday in November, but the appointments, as cadets, of the successful candidates will date from the 15th July or the 15th January.

2. No candidate will be eligible for examination in November, whose age will not be within the prescribed limits on the 15th January following, or for examination in June whose age will not be within the prescribed limits on the 15th July following.

3. The limits of age for examination in June, 1870, will be not less than 13 nor more than 15 and a-half years of age. After June 1870 no candidate is to be examined who is under 13 or above 15 years of age.

4. The number of naval cadets to be entered at each examination will for the present be reduced to 37; and twice the number for entry will be nominated to compete. Not more than half the number actually examined by the Director of Education will be entered.

Should fewer than the authorised number pass at any examination the difference will be made up at the next examination, and the number nominated will be proportionately increased.

5. Every candidate will be required, to pass the medical examination according to the prescribed regulations, under the direction of the Medical Director-General of the Navy at Somerset House, and must have been found physically fit for the Royal Navy before going up for the Educational Examination.

He must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age.

Any candidate rejected at the medical examination will be finally excluded from the Royal Navy.

6. The candidate will be required to produce (1) a registrar's certificate of birth or declaration thereof made before a magistrate; (2) a certificate of good conduct from the masters of any schools at which he may have been educated within the two previous years, or, if educated at home, from his tutors or the clergyman of the parish in which he resides; and (3) a certificate of good health.

7. The candidates will be required:—

No candidate will be qualified to compete unless he obtains at least four-fifths of the marks assigned to each of these subjects, and 500 marks in the aggregate.

* A Certificate of Baptism will not be accepted.

No marks amounting to less than one-sixth in a voluntary subject will be counted towards the total.

9. A candidate who obtains the number of marks prescribed for passing, but who may not be successful in the competition, will be allowed to compete once again at the next examination without undergoing a fresh medical examination, although he may then be over-age; but no candidate will be allowed to compete more than twice.

10. Any candidate who fails to appear at the next examination after he has obtained a nomination will not be allowed to present himself without a fresh nomination, except in the case of illness, certified by a physician or surgeon, approved by their Lordships, in which latter case non-appearance will have the effect of unsuccessful competition, entitling the candidate to present himself at the following examination only.

11. Every flag officer (except an admiral superintendent of a dockyard), on hoisting his flag will be allowed . . . 3 competitive nominations.

Every commodore of the first class 2 " "

Every captain appointed to the command of a ship of whatever class (except captains of stationary ships, captains superintendent of dockyards, or victualling yards, and the captain of the yacht) 1 " "

but no officer will be allowed to exercise this right a second time within three years; and no captain appointed to a ship during her commission will be allowed a nomination if the right has been exercised within a year during the same commission by a previous captain.

Officers having nominations must exercise their privilege before the 15th April for the June examination, and before the 1st October for the November examination. If they fail to nominate for the first examination after their appointment they will only be allowed to nominate for the following examination.

If a candidate, nominated for the first examination at which an officer can exercise his privilege, fails to pass the test at the medical examination, the officer will be allowed a fresh nomination for the following examination,—but in no other case. No fresh nomination will be allowed where the candidate fails to pass the test at the examination under the Director of Education.

12. Seven nominations will be given annually to the colonies, under the regulations hitherto in force as to nomination and examination; but the limits of age will be from 12 to 18½ if examined before the 15th October, 1870—and from 12 to 13 if examined after that date.

Cadets passing in the colonies will, in all other respects, be subject to these regulations, and must be at once sent to England to undergo the course of training.

Printed examination papers will be sent out to Commanders-in-Chief and Senior Officers on foreign stations, under seal, and the candidates' examination papers, with a report of the marks awarded at the examination, are to be forwarded to the Admiralty (should the candidate succeed in passing), together with the duplicate certificate of health.

13. For all cadets, including colonial cadets, entered under these regulations after the examination in August 1869, the annual rate of payment will be, as at present (40*l.* a-year), during the year 1870, and afterwards at the rate of 70*l.* per annum for the period in the "Britannia," and 50*l.* for the year in the sea-going training ship, to be paid half-yearly, in advance, to the Accountant General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the candidates nominated at each half-yearly examination a number, not to exceed 12, being sons of Officers of the Royal Navy or Marines, or of civil officers under the Board of Admiralty, with respect to whom the annual payment for the two years in the "Britannia" will be 40*l.* only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the cadets.

In the event of the full number so selected not succeeding in the competition, their Lordships will, if they think proper, make the number up from among the sons of officers as above who have succeeded at that examination.

14. Candidates who succeed in the competition will be appointed to the "Britannia."

15. The date of entry of those who pass in June is to reckon from the 15th July of the same year; of those who pass in November from the 15th January of the next year.

16. The period of training on board the "Britannia" will be, as now, four terms; but there will be two terms in each year, instead of three. The first term of each year will be

from February to July, the second from August to December.

The vacations will be—6 weeks at Midsummer, 6 weeks at Christmas, and a week at Easter.

17. There will be an examination at the end of each term, and an intermediate examination at Easter for cadets in their first year.

18. Cadets who join in August and who pass an unsatisfactory examination in December will be warned that they will be discharged at the following Easter if they do not show sufficient improvement. Cadets who join in February and pass an unsatisfactory examination at Easter will be similarly warned with respect to the examination in July.

Any cadet who passes unsatisfactorily at a subsequent examination will be discharged.

19. Notice will be given of the minimum number of marks which must be obtained at each examination.

20. At the examination at the end of the fourth term cadets will be classified according to their merits in study and conduct; and they will be allowed time for their service in the "Britannia" as follows:—

	Study.	"Very good" conduct.
	Time allowed.	Time allowed.
	Months.	Months.
1st Class	9	8
2nd Class	6	3
3rd Class	None	3

21. The examination and rating of cadets, as midshipmen, in the sea-going training ships is to be regulated according to the time notified in the certificates, thus:

Cadets who obtain 12 months' time will be rated as midshipmen at once on passing out of the "Britannia"

Cadets who obtain 9 months' time will have to serve 8 months

" 6 " " " 6 "

" 3 " " " 3 "

" no time " " 12 "

In the sea-going training ships before being rated as midshipmen.

22. After passing the final examination in the "Britannia" the midshipmen and cadets will be appointed to a sea-going training ship for one year.

23. Any cadet or midshipman who, at any time during his three years' probation, may be certified by the medical officer of the "Britannia" or of the sea-going training ship, to have become subject to any disease or physical defect likely to render him unfit for service will, on the circumstances being reported to their Lordships, be at once discharged.

24. After six months in the sea-going training ship as examination is to be held, and at the end of twelve months a second; and any midshipman or cadet failing to pass the test at either of these examinations will be at once discharged from Her Majesty's Service.

At the latter of these examinations they will be classified in three classes, both for seamanship and study.

25. The examination paper for the first examination will be transmitted under seal to the sea-going training ship; and the work of the cadets or midshipmen is to be returned under seal to the Admiralty.

26. Full time will be allowed to every midshipman or cadet for his period of service in the sea-going training ship; but additional time will be allowed to every midshipman or cadet whose conduct has been uniformly good, as under:

1st Class Seamanship	Months.
1st " Study	3

In the case of those who have gained 12 months in the "Britannia" gain also 6 months' time in the sea-going training ship, the rule as regards the age (19) of passing for lieutenant will be relaxed,—and they will be allowed to pass at 13, provided they have completed the necessary service,—but they will not be eligible for promotion from the rank of sub-lieutenant to that of lieutenant till they are 19 years of age.

27. The period of service required to enable officers to pass for lieutenant will be five years, including the time allowed in the training ships, but this rule will only apply to officers who entered the Service under these Regulations.

28. The parent or guardian of every cadet will be required to provide outfit as under the present regulations, and to sign a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Royal Navy.

29. Cadets who entered the "Britannia" in December, 1868, or April 1869, will pass out in July 1870, and those who entered in August 1869, will pass out in December 1870. Three months' extra time will be allowed to cadets who entered in December 1868.

CADETS FOR NAVIGATING DUTIES.

30. Navigating cadets will be nominated solely by their Lordships—and in every respect, with the following exceptions, they will be subject to the above Regulations:—

Twenty-four are to be entered annually by competition, 12 at each half-yearly examination; 24 nominations are to be made for each examination.

The annual payment for navigating cadets will be 40*l.* for both the home and the sea-going training ships. Those who do not obtain the rating of Navigating Midshipman on passing out of the "Britannia" will be allowed an intermediate rate of pay of 2*l.* 3*d.* a-day (4*l.* is 3*d.* a-year) until they obtain that rating.

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

Admiralty, 8th March, 1870.

(COLONIAL CADETS.)

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, 1870, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Entry, Passage to England, and Pay, &c., of Colonial Cadets.

1. Cadets examined in the Flag Ships abroad will, if they pass, be entered as Supernumeraries for Victuals only, and sent home in any Man-of-War or Transport about to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England, passage, including mess, at the public expense, is to be provided for them by Mail Packet, or by private Ship; the latter being preferred where the Packet fares are high.

2. They will not count time or receive pay until they join the "Britannia," and arrangements are to be made that, if possible, they may arrive in England a short time before the commencement of a term, i.e., before the 1st February or the 31st August; and Parents are to arrange for the payments, on their account, being received by the Accountant-General prior to the Cadets' joining the "Britannia."

By Command of their Lordships,

To all Commanders-in-Chief, &c.

(CIRCULAR No. 73—A. G.)

Admiralty, 4th October, 1870.

ALLOWANCES TO MIDSHIPMEN, CADETS, AND ASSISTANT CLERKS.

My Lords Commissioners of the Admiralty are pleased to direct that after the 31st of December, 1870, Commanding Officers are no longer to approve of Bills drawn by Midshipmen, Cadets, and Assistant Clerks.

In lieu thereof the Parents or Guardians will be called upon to pay to the Accountant-General of the Navy:—

£50 per annum for each Midshipman and Naval Cadet.

£20 per annum for each Navigating Midshipman whose pay does not amount to 4*l.* a day and the same for each Navigating Cadet and Assistant Clerk.

The payments are to be made by the Parents or Guardians half-yearly, in advance, and to commence for Midshipmen and Cadets from the date that the sums due for tuition in the Training Ships may cease to be payable, and for Assistant Clerks from the date of their entry into the Service.

The sums received by the Accountant-General will be held to the credit of these officers.

The Paymasters of the several Ships in which the young officers may be serving are to make payment to them at the rates above stated, on the usual Form of Quarterly Pay List, using a separate sheet, and distinctly marking it "Private Allowances."

Proportionate monthly advances may be paid.

Should any Midshipman or Cadet desire to draw less than £50 per annum he is at liberty to do so, provided he obtains the approval of his Commanding Officer, and can show that all his debts are paid. The sum thus saved would be carried by the Accountant-General to the credit of the succeeding or some following half-yearly claim on his Parents or Guardians.

When the pay of a Navigating-Midshipman amounts to 4*l.* per diem, his friends will not be called upon to make any further payments to the Accountant-General, and the corresponding payments on board are to cease.

They are to cease for Midshipmen on attaining rank of Acting Sub-Lieutenant, and for Assistant Clerks when rated Clerks.

The Commanding Officers of Her Majesty's Ships are, immediately on receipt of this Circular, to furnish the Accountant-General of the Navy with a Return of all Midshipmen and Cadets of both Classes, and Assistant Clerks serving on board, with the names and addresses of their Parents or Guardians, in order that letters claiming the first half-yearly sum may issue before the 1st January next.

In like manner the Commanding Officers of Sea-going Training Ships are to furnish the Accountant-General half-yearly with a similar list of all Cadets discharged for General Service.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

An Officer failing to present himself within the limit of the said six months will not be considered eligible for examination, unless under some special circumstances to be approved, in each individual case, by their Lordships.

By Command of their Lordships,

Admiralty, 4th Nov., 1868.

The Right Honourable the Lords Commissioners of the Admiralty are pleased to direct, that the following Regulations, relative to the Examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted:—

1. That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with a Schedule containing the Regulations, and a printed Form, to be filled up by him, in accordance with the directions given therein.

2. As vacancies occur, the number of Candidates required will be ordered to attend for competitive examination at the Admiralty Office; but it is to be observed, that no person can be admitted as an Assistant-Surgeon into the Royal Navy, unless he can produce satisfactory evidence that his name has been placed on the Medical Register as legally qualified to practise both Medicine and Surgery according to the regulations established by the Medical Act. And further, he will be required to make a declaration that he is free from any mental or bodily disease, defect, or infirmity which could interfere with the efficient discharge of his duties as a Medical Officer in the Navy.

5. Although a competent knowledge of the above-mentioned subjects is all that is absolutely required in Candidates for the appointment of Assistant-Surgeon, a favourable consideration will be given to those who are acquainted with the collateral sciences more immediately connected with the profession, such as Natural History, Natural Philosophy, and the use of the Microscope in diagnosis.

6. Such Candidates as shall have been found in all respects competent for the appointment of Assistant-Surgeon, will be forthwith nominated to one of Her Majesty's Ships, or to a Naval Hospital at home; or, should their services not be immediately required, their names will be duly registered for early appointments as vacancies may occur. But it is distinctly to be observed, that Candidates admitted into the Naval Medical Service must serve in any Vessel to which they may be appointed; and that in the event of their being unable to do so from sickness, their names cannot be continued on the Naval Medical List, nor can they, of course, be allowed Half Pay.

7. After completing three years' Full Pay Service, Assistant-Surgeons will be allowed to be examined for the rank of Surgeon before a Board of Naval Medical Officers assembled at the Department of the Medical Director-General of the Navy, but no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served five years, two of which must have been in a ship actually employed at sea.

The Candidate who passes the best examination of his year—after five years' service.

The Candidate who passes the second best examination of his year—after six years' service.

The Candidate who passes the third examination of his year—after seven years' service.

Provided, however, that their second examinations are passed in an equally creditable manner, and that their conduct during the whole time they have been in the Service has in all respects been satisfactory.

The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

10. Engineer Students who may fail to attain the required standard for the *scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Director of Education; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

11. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 4s., making their wages 24s. a week for the last year.

12. The most intelligent of the Students will be eligible for a more advanced education at the School of Naval Architecture, in accordance with the Regulations contained in the

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose;—and if abroad, by an Inspector of Machinery Afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, be fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose; but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engine, or packing, repacking, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by the Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed, at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as Engineers for special charge. As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships,

C. PAGET.

BEARDS AND MOUSTACHES IN THE ROYAL NAVY.

The Lords Commissioners of the Admiralty have had under their consideration the provisions of the Chapter 44, Article 48, page 336 of the regulations, forbidding the wearing of Beards and Moustaches by Officers and Men of the Fleet.

Representations having been made to their Lordships that it would conduce to the health and comfort of men, under many circumstances of service, were they to be permitted to discontinue the use of the Razor on board Her Majesty's Ships, they have been pleased to issue the following Regulations:—

1. Clause 43, Chapter 44, of the Regulations to be repealed, and Officers and Men on board Her Majesty's Ships, including the Royal Marines when embarked, will in future be permitted to wear Beards and Moustaches.

2. In all cases, when the permission granted in Clause 1 is taken advantage of, the use of the Razor must be entirely discontinued. Moustaches are not to be worn without the Beard, nor is the Beard to be worn without the Moustaches.

3. The Hair of Beard, Moustaches, and Whiskers, is to be kept well cut and trimmed, and not too long for cleanliness. The Captain is to give such directions as seem to him desirable upon these heads, and to establish, so far as may be practicable, uniformity as to length of the Hair, Beards, Moustaches, and Whiskers of his Men; observing that those Men who do not avail themselves of the permission to wear Beard and Moustaches will wear their Hair and Whiskers as heretofore.

4. Officers of Divisions will take special care that the provisions of Clauses 2 and 3 are strictly attended to by each of their Men as may avail themselves of the permission contained in Clause 1, and failures in these respects are to be considered as an offence under Article C in the Table of Summary Punishments.

5. Royal Marines on shore will follow the Regulations of the Army with regard to Beard and Moustaches.

6. Their Lordships desire that it may be distinctly understood that permission now given to wear Beards and Moustaches is not necessarily to be considered as permanent, and that if neatness and cleanliness are not observed this order will be revoked.

By Command of their Lordships,

W. G. ROMAINE.

To all Commanders-in-Chief, &c.

CIRCULAR No. 67.—LMM.

Admiralty, 8th December, 1869.

BEARDS AND MOUSTACHES FOR ROYAL MARINES.

1. The Lords Commissioners of the Admiralty have observed that the provisions of Circular No. 26, of 24th June, 1869, have not been uniformly interpreted as to the Royal Marines embarked on board Her Majesty's ships, and they are pleased to direct as follows:—

2. Officers and Men of the Royal Marines may wear their Moustaches only, when embarked, should they prefer so to do.

3. Considering the hardships that might be involved, in compelling such Officers and Men of the Royal Marines to elect to wear both Beards and Moustaches when embarked, to shave their Beards on being discharged as Head Quarters on shore, their Lordships are pleased to direct that the permission to wear Beards on board ships granted by Circular No. 26, shall be extended to all Officers and Men of the Royal Marines on shore.

4. In other respects, the provisions of the above Circular apply to Royal Marines on shore as well as afloat, and the attention of Commanding Officers is especially called to the necessity of enforcing neatness and cleanliness.

By command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

July, 1864, and 24th March, 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

23. The advantages conferred by the Order in Council of 26th June, 1867, on some of the Reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April, 1847, 25th June, 1851, and 26th June, 1867: and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

At the Court at Windsor.

the 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to serve Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the

Active List, until he ceases to be in such civil employment; that his retired pay should then be calculated according to the total period of service he may have completed, including his civil employment as service for this purpose.

"3rd. As regards promotion on the List of Surgeons and Medical Officers, and in the rank of Paymaster-in-Chief, Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four of the vacancies which may be caused by Retirement, or Promotion, or numbers authorized by Your Majesty's above-mentioned Orders in Council; and we would beg to point out that great for making such promotion in the ranks of Captain-Commander, and Lieutenant, was contained in the Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 20th June, 1864, that Staff Commanders having served 30 years in the rank of Navigating Lieutenant and Staff Commander shall, when retired, the rank of Retired Captain, and that those having served 15 years in those ranks shall receive the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that Paymaster-in-Chief, and not more than a year after Paymaster's time, shall be retired with the rank of Captain-Commander-in-Chief. And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided that those Officers shall be granted the rank of Captain and Retired Commander only at our discretion, we are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers shall longer be entitled to claim the respective ranks of Captain, Retired Commander, and Paymaster-in-Chief removed from the Active List, but that such persons should, in addition to the above-mentioned regulations, be governed also by qualifications of professional service; We therefore humbly submit that in such Promotions on Retirement be made as far as financial arrangements are affected, the Lords Commissioners of the Admiralty's Treasury have signified their concurrence in the above-mentioned proposals.

Her Majesty, having taken the said Memorial into consideration, was pleased, by what is therein proposed, Privy Council, to approve of what is therein proposed, the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereby required.

(Signed) ARTHUR HENRY

These Officers will receive, as at present, the Half-pay of Rear Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. CAPTAINS.

1847.

This plan of Retirement, published in the London Gazette of 1st Sept. 1845, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 1*st* 6*d*. Half-pay List as may be willing to accept it, with the pay of 1*l*. 5*s*. per diem, and the corresponding pension to their widows, under the usual restrictions.

D. 2nd. An addition of 7*s* 6*d*. per day to be given to applicants, by Seniority, from the 12*th* 6*d*. and 10*th* 6*d*. Half-pay Lists, being Captains of not less than 20 years' standing and 66 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l*. per annum, and to the pension

of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

The permanent Retired List is to be reduced to 100, by making one appointment for every two vacancies; the first 25 officers upon the List receiving 1*l*. 5*s*. per diem, and the remaining 75, 1*l*. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

by observing the rule of promotion, as it is now in promoting one in three vacancies, except in special individual cases, until the number is reduced to 350.

My Lords have recommended the abandonment of the brevet promotion in future, they are nevertheless of meeting the claims of old officers who have long and well, and who seek their promotion as a reward for past services, than in the expectation of employment. These Officers will be placed on reserved Half-pay. 50, 20 will be selected in the present year, and 10 succeeding year, until the number reaches 50, the vacancies only will be filled up. Her Majesty has been pleased, by Her Order in Council, of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid no much money only as appears to have been actually paid as consideration for the same, with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and

sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. BOWEN.

engagement in Writing in Form or to the Effect following:

I, B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable a respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

That such Share or Shares of the Admiral or Admirals aforesaid, to which he or they shall not be entitled on Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss or Damage shall not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Regulations of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under the Command of a Station, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be shipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding, as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thereupon taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order the Rate of Freight, *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Provision hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

an Engagement in Writing in Form or to the Effect following:

I, A. B., am desirous of partaking in the Advantage with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiralty or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into one or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate of Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thereupon taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, the Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, And We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: And We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves Judges of their own claims to Freight, nor deduct from Treas-

ure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight for a Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1827, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIMON HERRARD.

My Lords Commissioners of the Admiralty having had under their consideration the mode at present adopted, with regard to the payment of the Greenwich Hospital Proportion of Freightage, for the conveyance of Treasure in H.M. Ships, are pleased so lay down the following regulations to be observed for the future:—

That the Returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, be forwarded to the Accountant-General of the Navy, instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July, 1819.

The correspondence on the subject of "Freightage due to Greenwich Hospital," should be addressed to the Accountant-General of the Navy.

By Command of their Lordships,

W. G. ROMANE.

5. All other Seamen and Marines whose claims may be considered special and exceptional, not coming within the above mentioned classes.

Any Seamen or Marines coming within one of the above classes, whose claims to the benefits of Greenwich Hospital have, after examination, been allowed, are, instead of being admitted into Greenwich Hospital as heretofore, to be either received into Naval Hospitals or Infirmarys, to be there maintained temporarily or for life, according to circumstances, or they may be allowed

such a Special Pension from the funds of Greenwich Hospital as will, with their existing Pensions, if any, make up an amount not exceeding *ls. 6d. a-day*.

The Pensions of Men admitted to Naval Hospitals or Infirmaries will be paid in aid of the Funds of Greenwich Hospital, in support of their maintenance.

All Men admitted to the benefits of Greenwich Hospital who may apply at Naval Hospitals or Infirmaries will be allowed medical advice and medicines gratis, upon the approval of the Principal Medical Officer of the Establishment, and under such regulations as the Superintendents may deem necessary to prevent abuse and irregularities.

All Men entitled to the benefits of Greenwich Hospital living at a distance from Naval Hospitals or Infirmaries will, if ordered by the Admiralty to be admitted to such Hospitals or Infirmaries, be furnished with Railway Passes, and on their discharge therefrom they will be again furnished with a similar means of transit to their homes.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY, FOR THE ADMISSION OF BOYS TO GREENWICH HOSPITAL SCHOOL.

(Under the approval of Her Majesty's Order in Council, dated 9th August, 1870.)

The school consists of 800 boys, the sons of petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy or coast guard, and of other seafaring persons.

All claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in the following order of precedence, special consideration being given to length of service at sea.

1. Orphans, both parents dead.
2. Sons of fathers killed, drowned, deceased, wounded, or seriously maimed in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.
3. Those whose fathers having served in the Royal Navy or Marines, are dead.
4. Those whose fathers are serving, and whose mothers are dead.
5. Sons of Naval Pensioners, sons of seamen and marines now serving, both parents living.
6. Sons of seamen and marines * entitled to the benefits of Greenwich Hospital, not included in the foregoing classes.
7. Sons of other seafaring persons.

N.B.—The sons of commissioned and other officers are not absolutely excluded, provided that the peculiar circumstances of their case render them eligible for this charity.

Applications for admission are to be made to the Secretary of the Admiralty (Greenwich Hospital Branch), London, when the necessary forms will be sent, which when properly filled up, must be returned as directed, with the two following certificates:

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

The services of the fathers upon which the claim is founded will be ascertained at the Admiralty, and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between 9 and 10½ years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic, and the applications must be registered between the ages of 9 and 10.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain 13 years of age, unless either they succeed by their talents, industry, and good conduct, in obtaining admission into

the Selected Division after competitive examination, or volunteer, with the consent of their parents or guardians, to enter the Royal Navy as boys.

In the latter case, if they are reported physically fit, they will be retained until 14½ years of age, and then entered for continuous service.

Vacancies occasioned by boys unwilling or unfit for service in the Royal Navy will be filled up by selection from the sons of seamen and marines who are 18 years of age, fit and willing for service in the Royal Navy, and able to pass a sufficient examination in reading, writing, and arithmetic.

Applications for admission of boys at the age of 13 must be made six months previously, in the same manner as above directed, and the parents or guardians must sign an agreement, before the boy is admitted, that he shall serve in the Royal Navy for a period of 10 years' continuous and general service from the age of 18, in addition to whatever period may be necessary until he attain that age.

The "Selected Division" will consist of 80 boys. At the age of 14 the boys in this division of the school will be required to enter into an agreement, jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. They will then be retained in the school until 14½ years of age, otherwise they will be discharged.

The education of the boys in the General School will comprise the usual elements of a sound English education, alternating with practical seamanship and other industrial occupations designed to prepare them for a seafaring life.

In the "Selected Division," elementary mathematics and mechanics, navigation, nautical astronomy, and French will be taught.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church Catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of a child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN,
AND MARINES.

CIRCULAR No. 31.—N.

*Admiralty, 23rd August, 1866.***(DIRECTIONS FOR THE EXAMINATION OF OFFICERS,
MEN, AND BOYS FOR ADMISSION INTO THE ROYAL
NAVY AND MARINES.)**

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines. In lieu of those contained in article 34, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of infirmity, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or pre-disposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.
2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.
3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the

bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impulsion of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polyposis.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nævologial Returns from Hospitals and Marine Infirmarys, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

By command of their Lordships,

HENRY G. LUSHINGTON.

To all Commanders-in-Chief, &c.

"Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act, to such extent and under such regulations as Her Majesty, Her Heirs and Successors, by any

Order or Orders in Council, shall at any time or times direct."

"And whereas we are of opinion that it would conduce to the better maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces may be embarked if the following Regulations, were established, namely:—

"1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed into a separate Corps or Battalion, shall be embarked as passengers in any of Your Majesty's Ships, the Officers and Soldiers shall, from the time of embarkation, strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the Ship as well as of the Superior Officer of the Squadron, if any to which such Ship may belong.

"2. If any Officer or Soldier shall commit any act against the good order and discipline of the Ship in which he is embarked, the Commanding Officer of the Ship may, by his own authority and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such Officer or Soldier to his Superior Officer, or if there be no Senior Officer present to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any Officer or Soldier commits any act which, in the opinion of the Commanding Officer of Troops, requires a trial by Court-Martial, such Commanding Officer shall cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and to be proceeded against according to the Military Law.

"No Military Court-Martial shall be held on board any of Your Majesty's Ships in commission.

"4. If any private soldier shall commit any act against the good order and discipline of the Ship, the Commanding Officer of the Ship shall, if he thinks the case requires the summary infliction of punishment, apply for the concur-

rence, in writing, of the Commanding Officer of the Troops, as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly.

"5. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers.

"6. If the Commanding Officer of the Troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the Ship.

"Your Majesty's Secretary of State for War, and His Royal Highness the Field Marshal Commanding-in-Chief, have signified their concurrence in these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. (PAY, PENSION, ALLOTMENTS, UNCLAIMED PAY, STOPPAGE OF PAY BY "R." MEDALS AND DECORATIONS, PRIZE MONEY.)

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, recently made or renewed by the Acts of Parliament and Orders in Council respectively quoted, be promulgated for the information and guidance of all Officers, Naval and Civil, and others to whom the same may relate.

By Command of their Lordships, C. PAGET.

Paid and Pension.

Any assignment, sale, or contract of or relating to any Pay, Wages, Bounty Money, Grant, or other allowance in the nature thereof, payable in respect of services in Her Majesty's Naval or Marine Force to a person being or having been a subordinate officer, seaman, or marine is void.

Any assignment, sale, or contract relating to any Naval Pension, Allowance from the Compassionate Fund, Half-Pay, or Marine Half-Pay, is void.

A seaman or marine discharged from one ship to another shall not be rated lower in the latter ship on or in consequence of such discharge or transfer.

Allotments.

Where the Wife, being allottee, dies or deserts her children, or so misconducts herself as to be considered undeserving of support from her husband, the Admiralty may stop further payment. And if in any such case there is a Child of the Seaman or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

Unclaimed Pay.

Pay shall be deemed forfeited if within six years from the 1st day of January next following the time when it became payable—

- (1) If it is not claimed; or
- (2) A claim made to it is not proved to the satisfaction of the Admiralty.

The Admiralty may, however, if they see good cause, in any case remit such forfeitures.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marine Veterans on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;

And in favour of some one or other of the following persons by name:

- The Drawer's Wife;
 " Father or Mother;
 " Son or Daughter;
 " Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Cash Balance.

Admiralty, 5th February, 1879.

LONG SERVICE AND GOOD CONDUCT MEDALS.

My Lords Commissioners of the Admiralty Having had under their consideration the effect which their recent order as to the discharge of all men on completing their time for Pension will have on their chances of obtaining Long Service and Good Conduct Medals, which by the present Regulations can only be awarded when ships are paid off: I am to acquaint you that, in future, Commanding Officers of Ships may recommend men for Medals during the period of a Ship's Commission, provided no more are recommended in the course of three years than would be allowed on the paying-off of the ship, according to the scale laid down in Article 5, page 247, of the Queen's Regulations.

Thus, the Commanding Officer of a Ship with 400 men may recommend four men for Medals with gratuities, and four men for Medals without gratuities in the course of three years.

Commanding Officers are not, however, in the first or second year of Commission, to recommend men for the whole number of Medals allowed to a Ship, but are to spread their recommendations as equally as possible over a period of three years.

No Medals will be given on the paying-off of Her Majesty's Ships unless the number allowed for the complement has not been awarded during the period of Commission.

Coastguard Ships, Receiving Ships, Store Ships, and other Stationary Ships abroad, will be included in this arrangement.

Supernumeraries are not to be reckoned as part of the Ship's complement for the grant of Medals under this Circular. In recommending them for Medals under this Circular, Commanding Officers are to report how many Medals have been already given during the period of the Ship's Commission, and the dates when they were awarded.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

CIRCULAR No. 68.—P.

Admiralty, 30th August, 1879.

(CERTIFICATES FOR WOUNDS AND HURTS.)

With reference to Article 7, page 240, and 35, page 399, of the General Regulations, on the subject of Hurt Certificates being given to Officers and Men who have been injured on duty, and who are in consequence of such injuries considered unfit for further service; and with reference to Article 25, page 394, of the General Regulations, which directs that Medical Officers are to specially report cases of hurts which may constitute a claim hereafter for a pension; my Lords are pleased to issue the following directions, great inconvenience having been experienced from the want of proper documents in settling the claims of applicants for compensation for minor injuries received, or alleged to have been received in the Service, years before the men have been ultimately discharged to Pension.

2. In future, Parchment Certificates for Injuries (Form No. 12) are to be given before the men leave the Ship or Marine Division in which they were injured, in all cases of wounds or hurts received in an act of duty, whether such injury divides the men from continuing in the Service or not.

3. The nature of the injury is to be described minutely, together with the manner in which it was received, the particular act of duty on which the man was employed at the time, and whether he was sober or not.

4. They are not to be given for wounds or hurts received on leave (except in an act of duty whilst on leave), or occasioned by drunkenness or other improper conduct, but are to be confined solely to injuries received in an act of duty.

5. In all reports of injuries, including the entries made in the Sick List, Medical Officers are to be careful to state how the injury was received, and whether or not the man was engaged in an act of duty, and sober at the time.

6. Care must also be taken that the Certificates are signed, if possible, by some Executive Officer who witnessed the accident, in addition to the Commanding Officer of the Ship or Marine Division and the Surgeon.

7. Certificates for Rupture to be given under the same regulations as at present.

8. A notice is to be posted up on board all Ships, and at all Coast Guard Stations and Marine Barracks, to the effect that no injuries received after the date hereof will be considered when men are finally discharged from the Service, unless they can produce proper Hurt Certificates.

9. Notations of injuries received in an act of duty are also to be made on Men's Parchment Certificates before they are discharged from their Ships or Divisions.

10. These Regulations are to apply to the Fleet, Coast-guard, and Marines, afloat and ashore.

By Command of their Lordships.

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

At the Court at Osborne House, Isle of Wight,
the 5th day of February, 1870.

PRESENT:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz. :—

"Whereas We have under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to establish the various Commuted Allowances proposed in the following Table :—

Station.	Rank.	Commuted Allowance.
Portsmouth . .	Commander-in-Chief . .	£. 500
Devonport . .	Ditto . .	500
Sheerness . .	Ditto . .	400
Queensdown . .	Ditto . .	250
Portsmouth . .	Secretary to Com.-in-Chief . .	40
Devonport . .	Ditto ditto . .	40
Sheerness . .	Ditto ditto . .	40
Queensdown . .	Ditto ditto . .	40
Portsmouth . .	Admiral Superintendent . .	200
Devonport . .	Ditto ditto . .	200
Sheerness . .	Captain ditto . .	125
Chatham . .	Ditto ditto . .	125
Fernbrook . .	Ditto ditto . .	125

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queensdown, and any other Commander-in-Chief who may be appointed before that date.

"And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendent at the Dockyard at Home is no longer required, and that unnecessary expense is consequently occasioned to the public; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that, from the first of October last, Commanders-in-Chief at Home and Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The Lords of the Treasury have notified to their Lordships, that the privileges at present accorded to the Correspondence of Officers serving on board Her Majesty's Ships abroad, are to be withdrawn, and that, after the termination of the present year, the Officers of the Royal Navy will be placed on the same footing as the general public in regard to the postage of their letters.

CIRCULAR No. 59.—K.

Admiralty, 6th July, 1870.

ANNUAL COMPETITIVE PRIZE FIRING WITH RIFLED
GREAT GUNS AND SMALL ARMS.

The Lords Commissioners of the Admiralty are pleased to direct that the following system of Competitive Prize Firing with rifled great guns and small arms is to be established in Her Majesty's Navy.

With rifled great guns the system is based upon the following points :—

The great importance that not only should the first and second Captains of the guns be good shots, but also that the men who, in the event of casualties in action, would have to replace them, should be able to do so efficiently; the manner in which the prizes are awarded, therefore, is made to depend upon the combined good firing of the six chief numbers of each gun's crew.

The prizes are awarded with regard to the combined accuracy and rapidity of the firing, and as the rapidity must to a very considerable extent depend upon the exertions of the whole gun's crew, the amount of the prize awarded to any gun's crew is divided and distributed in certain proportions to each man belonging to the gun.

The following Regulations are to be strictly adhered to :—

The Practice is, if possible, to take place during the last quarter in each year, the allowance of ammunition and projectiles for that quarter being used for the purposes, common shell empty, being substituted for the filled shell and exceptional projectiles; it is invariably to be carried out when the ship is under steam; targets of uniform size (to be detailed hereafter) are to be used throughout the Service, and the bearing and distance of the ship from the target are to be continually altered.

The ship, or one division of guns (as may be considered most advisable under the circumstances), is to be cleared for action, guns loaded, and two targets thrown overboard from 1000 to 1500 yards apart.

Having attained a distance of not less than 600 yards from one of the targets, 8 rounds of rapid independent firing are to be delivered from each gun separately, in succession, in the following manner, the change of numbers taking place immediately after the gun has been run out :—Before the order to *Commence* is given to the Captain of each gun, the gun is to be laid abeam and horizontal, and the crew closed up. At the order *Commence*, No. 1 will fire 2 rounds at the target, then change numbers with 2, who will also fire 2 rounds; after the 4th round, 2 and 1 change numbers with 3 and 4, who each fire 1 round; and, after the 6th round, 4 and 3 change numbers with 5 and 6, who also fire 1 round each.

An Officer is to be stationed close to each gun whilst firing, to take the time occupied from the order *Commence*, until the 8th round has been completed.

A second Officer is to be stationed in the best position aloft for observing the accuracy of each shot, both as to elevation and direction, awarding it numbers in accordance with Table A annexed.

A third Officer, also stationed aloft, is to ascertain the distance of the target from the ship by Admiral Kyder's method of measuring the angle between the target and the horizon, before each gun commences firing.

The Captain of each gun is to be made acquainted with the approximate distance of the target immediately before receiving the order *Commence*, after which the alteration in the distance must be judged by eye.

At the termination of the whole of the competitive firing in each ship, the Gunnery Officer (or, if none on board, an

Officer selected will furnish the Captain with a detailed report of the result, in accordance with Table C annexed, and the prizes which are allowed to the ship, in accordance with Table D annexed, are to be paid by the Paymaster (on the Captain's order) to the gun's crew, or crews, to which prizes have been awarded, as soon after as is convenient.

Table C is to be attached to the Half-yearly Report of Progress in Gunnery.

By Command of their Lordships,

NEWMAN LUSHINGTON.

A small flag is placed on the top of staff. Each ship will in future be supplied with the necessary materials for preparing such targets.

TABLE B.—Reduction of the Time taken in Firing 8 rounds to be allowed to M.L.R. Guns of different calibres when competing for Prizes.

[illegible]

NOTE.—64-Pounders, when mounted on slides, are to be considered with regard to allowance for time as 7-inch guns.

Table B is arranged to enable the time taken by guns of different weights and calibres in firing the 8 rounds, when competing for prizes, to be reduced to the standard of the lightest gun used in the practice. After this reduction has been applied, points are to be deducted from the total number gained by each gun for accuracy, in the proportion of 1 point for every 10 seconds, by which the time taken in firing the 8 rounds after being corrected by Table B exceeds that of the quickest gun. Points are awarded in accordance with the total number of points remaining to each gun after the above reductions have been made.

Example.

- 64-Pounder fires 8 rounds in 7 minutes and gains 40 points.
- 7-inch M.L.R. gun fires 8 rounds in 9 minutes and gains 46 points.
- 9-inch M.L.R. gun fires 8 rounds in 11 minutes and gains 48 points.

Referring to Table B, it will be seen that in order to reduce the time taken by the 7-inch and 9-inch guns to the standard of the 64-pounder (the lightest gun used in the practice), it will be necessary to deduct 50 seconds from that of the former, and 3 minutes 25 seconds from that of the latter.

thus leaving the corrected time of firing the 8 rounds as follows:—

- a. 64-Pounder 7 minutes.
b. 7-Inch M.L.R. gun . . . 8 minutes 10 seconds.
c. 9-Inch M.L.R. gun . . . 7 minutes 55 seconds.

The 64-pounder is, therefore, the quickest gun, beating the 9-inch gun by 35 seconds, and the 7-inch gun by 1 minute and 10 seconds.

The total number of points gained for accuracy by the 7-inch and 9-inch guns must now be reduced in the proportion of 1 point for each 10 seconds, by which their corrected time of firing 8 rounds exceeds that of the 64-pounder, consequently 34 points must be deducted from total number gained by the 9-inch gun, and 7 points from that gained by the 7-inch gun, leaving the total number of points remaining to each gun, after reduction, thus:—

- | | |
|----------------|------------|
| a. 64-Pounder. | 40 points. |
| b. 7-Inch gun. | 38 " |
| c. 9-Inch gun. | 39 1/2 " |

The 64-pounder, therefore, wins the prize.
In the event of the number of reduced points gained by
two guns being an exact tie, they must fire the 8 rounds over
gain.

Course of Musketry Instruction and Competitive Target Rifle Practice to be performed annually by the Seamen of the Fleet.

The whole number of working Petty Officers and Seamen is to be divided into companies, each company not to exceed 50, or to be less than 40 men (this division is simply to facilitate the instruction and target practice and is not to interfere with the regular organization of rifle companies laid down at p. 9, Gunnery Manual). Each company, having completed the manual and platoon exercises, is to be divided into squads, the number of men in each squad is not to exceed 20, and go through the course of musketry instruction laid down in annexed forms E and F, being executed during that period their watch in the daytime.

Having completed the course of musketry instruction, the target practice may subsequently be performed at any period of the year when opportunity offers for obtaining the use of a rifle range.

In performing the target practice detailed in Form G, the following rules are to be strictly adhered to:—

No man is to be allowed to commence firing until he has completed the course of musketry instruction laid down in annexed Forms E and F.

The number of men in a firing party is never to exceed 20, and no man is to be allowed to fire at more than two distances on the same day.

In all ships having a Gunnery Lieutenant, he is invariably to take charge of the firing party. Where there is not a Gunnery Lieutenant, a Commissioned Officer is to perform this duty.

The marker for each company is to be a Petty Officer belonging to one of the other companies.

The register of firing is to be taken in ink on the spot by an Instructor, the Officer in command of the firing party is to read it over to the men before leaving the ground, and then sign it.

A Return in accordance with Table I, showing the result of the Annual Competitive Rifle Firing, is to be attached to the Half-yearly Report of Gunnery Progress.

CIRCULAR LETTER.

Admiralty, November, 1870.

SIR.—With reference to the Regulations laid down at page 8 of Circular No. 59 of the 6th July last for carrying out the course of Musketry Instruction and Prize Firing,—I am commanded by my Lords Commissioners of the Admiralty to acquaint you that the 60 rounds per man are not in addition to the Quarterly Allowance of Ammunition laid down at page 198 of the Addenda; and further, that the Quarterly Allowance for the whole year is to be used as part of the Ammunition expended for the Prize Firing.

I am, &c.

VERNON LUSHINGTON.

CIRCULAR No. 6.—N.

Admiralty, 3rd February, 1871.

(ANNUAL COMPETITIVE PRIZE FIRING.)

With reference to Admiralty Circular No. 59 N of 6th July, 1870, Annual Competitive Prize Firing with Rifled Great Guns may in future be carried out in Vessels on the Home Stations, in the summer, instead of during the last quarter of the year.

Gunnery and Musketry Instructors are not to be permitted

to compete for the Prizes granted annually for good firing with rifled small arms.

The amount of ball cartridge allowed to be expended quarterly is increased to 25 rounds for each Seaman's rifle.

By Command of their Lordships.

To all Captains, &c.

VERNON LUSHINGTON.

CIRCULAR No. 11.—N

Admiralty, 24th February, 1871.

(CHAPLAIN'S CABINS.)

With reference to paragraph 8 of Circular No. 77 N, 21st October, 1870 (Duties of Chaplains); my Lords Commissioners of the Admiralty are pleased to direct that, as the object of giving the Chaplain the first choice of Cabins after the Senior Executive and Navigating Officers is that he may select that best situated for enabling the Ship's Company to consult him without being exposed to unnecessary publicity, this principle is, in all cases, as far as possible, to govern the selection of these Cabins.

When practicable, special Cabins for Chaplains will be built to meet the above requirements.

By Command of their Lordships.

To all Commanders-in-Chief, etc.

VERNON LUSHINGTON.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond

Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification

required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon. In order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future

time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CLARENDON.

Foreign Office, May 10th, 1855.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a class added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, we institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing the inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the neck by a blue ribbon for the Navy and by a red ribbon for the Army.

Thirdly. It is ordained, that the names of those upon

whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a register thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the ribbon by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of a conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the

REGULATIONS RESPE

The Queen has been pleased to direct Foreign Orders and Medals

1. No Subject of Her Majesty shall accept a Foreign Order or Medal from the Sovereign of any foreign country, or the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified under Her Royal Sign Manual.

regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall

be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private-Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honorable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an special Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1866, instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration, to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of

attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument,

have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS It has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V and A, interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save

and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

CIRCULAR, No. 11.—P.

Admiralty, 12th April, 1866.

(PAY, PENSION, ALLOTMENTS, UNCLAIMED PAY, STOPPAGE OF PAY BY "R," MEDALS AND DECORATIONS, PRIZE MONEY.)

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, recently made or renewed by the Acts of Parliament and Orders in Council respectively quoted, be promulgated for the information and guidance of all Officers, Naval and Civil, and others to whom the same may relate.

By Command of their Lordships,

C. PAGET.

Paid and Pension.

Any assignment, sale, or contract of or relating to any Pay, Wages, Bounty Money, Grant, or other allowance in the nature thereof, payable in respect of services in Her Majesty's Naval or Marine Force to a person being or having been a subordinate officer, seaman, or marine is void.

Any assignment, sale, or contract relating to any Naval Pension, Allowance from the Compassionate Fund, Half-Pay, or Marine Half-Pay is void.

A seaman or marine discharged from one ship to another shall not be rated lower in the latter ship on or in consequence of such discharge or transfer.

Allotments.

Where the Wife, being allottee, dies or deserts her children, or so misconducts herself as to be considered undeserving of support from her husband, the Admiralty may stop further payment. And if in any such case there is a Child of the Seaman or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being all-free becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

Unclaimed Pay.

Pay shall be deemed forfeited if within six years from the 1st day of January next following the time when it became payable—

- (1) If it is not claimed; or
- (2) A claim made to it is not proved to the satisfaction of the Admiralty.

The Admiralty may, however, if they see good cause, in any case remit such forfeiture.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;
And in favour of some one or other of the following persons by name:

- The Drawer's Wife;
" Father or Mother;
" Son or Daughter;
" Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Cash Balance.

CIRCULAR No. 13.—P.

Admiralty, 5th February, 1870.

LONG SERVICE AND GOOD CONDUCT MEDALS.

My Lords Commissioners of the Admiralty Having had under their consideration the effect which their recent order as to the discharge of all men on completing their time for Pension will have on their chances of obtaining Long Service and Good Conduct Medals, which by the present Regulations can only be awarded when ships are paid off: I am to acquaint you that, in future, Commanding Officers of Ships may recommend men for Medals during the period of a Ship's Commission, provided no more are recommended in the course of three years than would be allowed on the paying-off of the ship, according to the scale laid down in Article 5, page 247, of the Queen's Regulations.

Thus, the Commanding Officer of a Ship with 400 men may recommend four men for Medals with gratuities, and four men for Medals without gratuities in the course of three years.

Commanding Officers are not, however, in the first or second year of Commission, to recommend men for the whole number of Medals allowed to a Ship, but are to spread their recommendations as equally as possible over a period of three years.

No Medals will be given on the paying-off of Her Majesty's Ships unless the number allowed for the complement has not been awarded during the period of Commission.

Coastguard Ships, Receiving Ships, Store Ships, and other Stationary Ships abroad, will be included in this arrangement.

Supernumeraries are not to be reckoned as part of the Ship's complement for the grant of Medals.

In recommending them for Medals under this Circular, Commanding Officers are to report how many Medals have been already given during the period of the Ship's Commission, and the dates when they were awarded.

By Command of their Lordships,

VANSON LUSHINGTON.

To all Commanders-in-Chief, &c.

CIRCULAR No. 68.—P.

Admiralty, 30th August, 1870.

(CERTIFICATES FOR WOUNDS AND HURTS.)

With reference to Article 7, page 240, and 35, page 305, of the General Regulations, on the subject of Hurt Certificates being given to Officers and Men who have been injured on duty, and who are in consequence of such injuries considered unfit for further service; and with reference to Article 25, page 394, of the General Regulations, which directs that Medical Officers are to specially report cases of hurts which may constitute a claim hereafter for a pension; my Lords are pleased to issue the following directions, great inconveniences having been experienced from the want of proper documents in settling the claims of applicants for compensation for minor injuries received, or alleged to have been received in the Service, years before the men have been ultimately discharged to Pension.

2. In future, Parchment Certificates for Injuries (Form No. 12) are to be given before the men leave the Ship or Marine Division in which they were injured, in all cases of wounds or hurts received in an act of duty, whether such injury disables the men from continuing in the Service or not.

3. The nature of the injury is to be described minutely, together with the manner in which it was received, the particular act of duty on which the man was employed at the time, and whether he was sober or not.

4. They are not to be given for wounds or hurts received on leave (except in an act of duty whilst on leave), or occasioned by drunkenness or other improper conduct, but are to be confined solely to injuries received *in an act of duty*.

5. In all reports of injuries, including the entries made in the Sick List, Medical Officers are to be careful to state how the injury was received, and whether or not the man was engaged in an act of duty, and sober at the time.

6. Care must also be taken that the Certificates are signed, if possible, by some Executive Officer who witnessed the accident, in addition to the Commanding Officer of the Ship or Marine Division and the Surgeon.

7. Certificates for Rupture to be given under the same regulations as at present.

8. A notice is to be posted up on board all Ships, and at all Coast Guard Stations and Marine Barracks, to the effect that no injuries received after the date hereof will be considered when men are finally discharged from the Service, unless they can produce proper Hurt Certificates.

REGULATIONS RESPECTING FOREIGN ORDERS, &c. 427

tations of injuries received in an act of duty are also made on Men's Parchment Certificates before they are sent from their Ships or Divisions. These Regulations are to apply to the Fleet, Coast and Marines, afloat and ashore.

change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queenstown, and any other Commander-in-Chief who may be appointed before that date. And whereas we are further of opinion that the existing Regulations of Flag-Lieutenant to the Admirals Superintendent of Dockyard at Home is no longer required, and that necessary repairs are consequently occasioned to the Navy; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, and before then in case of any fresh appointment of a Superintendent.

And whereas We have also had under our consideration existing regulations on the subject of the Table Money paid to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when Officers are on leave, they should not altogether lose the Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, from the first of October last, Commanders-in-Chief at Home and Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Majesty's Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 43.—S.

Admiralty, 22nd July, 1869.

(POSTAGE OF OFFICERS' LETTERS.)

The Lords of the Treasury have notified to their Lordships, that the privileges at present accorded to the Correspondence of Officers serving on board Her Majesty's Ships abroad, are to be withdrawn, and that, after the termination of the present year, the Officers of the Royal Navy will be placed on the same footing as the general public in regard to the postage of their letters.

By Command of their Lordships,
VERNON LUSHINGTON.
 To all Commanders-in-Chief, &c.

CIRCULAR No. 50.—N.

Admiralty, 6th July, 1870.

ANNUAL COMPETITIVE PRIZE FIRING WITH RIFLED GREAT GUNS AND SMALL ARMS.

The Lords Commissioners of the Admiralty are pleased to direct that the following system of Competitive Prize Firing with rifled great guns and small arms is to be established in Her Majesty's Navy.

With rifled great guns the system is based upon the following points:—

The great importance that not only should the first and second Captains of the guns be good shots, but also that the men who, in the event of casualties in action, would have to replace them, should be able to do so efficiently; the manner in which the prizes are awarded, therefore, is made to depend upon the combined good firing of the six chief numbers of each gun's crew.

The prizes are awarded with regard to the combined accuracy and rapidity of the firing, and as the rapidity must to a very considerable extent depend upon the exertions of the whole gun's crew, the amount of the prize awarded to any gun's crew is divided and distributed in certain proportions to each man belonging to the gun.

The following Regulations are to be strictly adhered to:—

The Practice is, if possible, to take place during the last quarter in each year, the allowance of ammunition and projectiles for that quarter being used for the purpose, common shell empty, being substituted for the filled shell and exceptional projectiles; it is invariably to be carried out when the ship is under steam; targets of uniform size (to be detailed hereafter) are to be used throughout the Service, and the bearing and distance of the ship from the target are to be continually altered.

The ship, or one division of guns (as may be considered most advisable under the circumstances), is to be cleared for action, guns loaded, and two targets thrown overboard from 1000 to 1600 yards apart.

Having attained a distance of not less than 600 yards from one of the targets, 8 rounds of rapid independent firing are to be delivered from each gun separately, in succession, in the following manner, the change of numbers taking place immediately after the gun has been run out:—Before the order to Commence is given to the Captain of each gun, the gun is to be laid abeam and horizontal, and the crew closed up. At the order Commence, No. 1 will fire 2 rounds at the target, then change numbers with 3, who will also fire 2 rounds; after the 4th round, 2 and 1 change numbers with 3 and 4, who each fire 1 round; and, after the 6th round, 4 and 3 change numbers with 5 and 6, who also fire 1 round each.

An Officer is to be stationed close to each gun whilst firing, to take the time occupied from the order Commence, until the 8th round has been completed.

A second Officer is to be stationed in the best position aloft for observing the accuracy of each shot, both as to elevation and direction, awarding it numbers in accordance with Table A annexed.

A third Officer, also stationed aloft, is to ascertain the distance of the target from the ship by Admiral Hyder's method of measuring the angle between the target and the horizon, before each gun commences firing.

The Captain of each gun is to be made acquainted with the approximate distance of the target immediately before receiving the order Commence, after which the alteration in the distance must be judged by eye.

At the termination of the whole of the competitive firing in each ship, the Gunnery Officer (or, if none on board, an

Officer selected will furnish the Captain with a detailed report of the result, in accordance with Table C annexed, and the prizes which are allowed to the ship, in accordance with Table D annexed, are to be paid by the Paymaster (on the Captain's order) to the gun's crew, or crews, to which prizes have been awarded, as soon after as is convenient.

Table C is to be attached to the Half-yearly Report of Progress in Gunnery.

By Command of their Lordships,
VERNON LUSHINGTON.
To all Flag Officers, Captains and Commanding Officers of Her Majesty's Ships and Vessels.

A small flag is placed on the top of staff.

Each ship will in future be supplied with the necessary materials for preparing such targets.

TABLE B.—Reduction of the Time taken in Firing 8 rounds to be allowed to M.L.R. Guns of different calibres when competing for Prizes.

[illegible]

NOTE.—64-Pounders, when mounted on slides, are to be considered with regard to allowance for time as 7-inch guns.

Table B is arranged to enable the time taken by guns of different weights and calibres in firing the 8 rounds, when competing for prizes, to be reduced to the standard of the lightest gun used in the practice. After this reduction has been applied, points are to be deducted from the total number gained by each gun for accuracy, in the proportion of 1 point for every 10 seconds, by which the time taken in firing the 8 rounds after being corrected by Table B exceeds that of the lightest gun. The number of points to be deducted is calculated with the total number of points remaining to each gun after the above reductions have been made.

Example

- 64-Pounder fires 8 rounds in 7 minutes and gains 40 points.
- 7-inch M.L.R. gun fires 8 rounds in 9 minutes and gains 45 points.
- 9-inch M.L.R. gun fires 8 rounds in 11 minutes and gains 48 points.

Referring to Table B, it will be seen that in order to reduce the time taken by the 7-inch and 9-inch guns to the standard of the 64-pounder (the lightest gun used in the practice), it will be necessary to deduct 50 seconds from that of the former, and 3 minutes 25 seconds from that of the latter.

thus leaving the corrected time of firing the 8 rounds as follows:—

- | | |
|--------------------------------|-----------------------|
| a. 64-Pounder | 7 minutes. |
| b. 7-Inch M.L.R. gun | 8 minutes 10 seconds. |
| c. 9-Inch M.L.R. gun | 7 minutes 55 seconds. |

The 64-pounder is, therefore, the quickest gun, beating the 9-inch gun by 35 seconds, and the 7-inch gun by 1 minute and 10 seconds.

The total number of points gained for accuracy by the 7-inch and 9-inch guns must now be reduced in the proportion of 1 point for each 10 seconds, by which their corrected time of firing 8 rounds exceeds that of the 64-pounder, consequently 84 points must be deducted from total number gained by the 9-inch gun, and 7 points from that gained by the 7-inch gun, leaving the total number of points remaining to each gun, after reduction, thus:—

- | | |
|----------------|------------|
| a. 64-Pounder. | 40 points. |
| b. 7-Inch gun. | 38 " |
| c. 9-Inch gun. | 39 1/2 " |

The 64-pounder, therefore, wins the prize.

In the event of the number of reduced points gained by two guns being an exact tie, they must fire the 8 rounds over again.

CONDITIONS.—8 Rounds of rapid independent firing from each Gun separately in succession, Ship steaming round Targets of Service Pattern and dimensions. Nos. 1 and 2 fire 2 rounds each. Nos. 3, 4, 5, and 6 fire 1 round each.

Rifled Guns of 6½ tons and upwards are called Heavy Guns, and of less weight Light Guns.

In Vessels having a mixed armament of Heavy and Light Rifled Guns, each Light Revolving Gun is to be considered, with regard to the prizes allowed, as a Heavy Gun, because it is worked by a full gun's crew.

Each pair of Light Broadside Rifled Guns is to be considered, with regard to the Prizes allowed, as only 1 Heavy Gun (having only one full crew to work both Guns).

When a prize is awarded to a Gun mounted in a Turret, only those members of the Gun's crew stationed inside the Turret, in addition to the men at the running-in winches and those employed in hoisting projectiles into the Turret, are to be included in the division of the prize, except when the Turret is trained by hand, in which case the men actually working the training winches are to be included.

In Turret-vessels carrying 4 Guns of 10-inch or higher calibre, 1 prize equal in value to the 1st prize for vessels of under 18 Heavy Rifled Guns and not less than 10 will be allowed.

In Vessels having a mixed armament of Rifled and Smooth-bore Guns no prizes for competitive firing will be allowed.

Course of Musketry Instruction and Competitive Target Rifle Practice to be performed annually by the Seamen of the Fleet.

The whole number of working Petty Officers and Seamen is to be divided into companies, each company not to exceed 50, or to be less than 40 men (this division is simply to facilitate the instruction and target practice, and is not to interfere with the regular organization of rifle companies laid down at p. 9, Gunnery Manual). Each company, having completed the manual and platoon exercises, is to be divided into squads, the number of men in each squad is not to exceed 20, and go through the course of musketry instruction laid down in annexed forms E and F, being extended during that period their watch in the daytime.

Having completed the course of musketry instruction, the target practice may subsequently be performed at any period of the year when opportunity offers for obtaining the use of a rifle range.

In performing the target practice detailed in Form G, the following rules are to be strictly adhered to:—

No man is to be allowed to commence firing until he has completed the course of musketry instruction laid down in annexed Forms E and F.

The number of men in a firing party is never to exceed 20, and no man is to be allowed to fire at more than two distances on the same day.

In all ships having a Gunnery Lieutenant, he is invariably to take charge of the firing party. Where there is not a Gunnery Lieutenant, a Commissioned Officer is to perform this duty.

The marker for each company is to be a Petty Officer belonging to one of the other companies.

The register of firing is to be taken in ink on the spot by an Instructor, the Officer in command of the firing party is to read it over to the men before leaving the ground, and then sign it.

A Return in accordance with Table I, showing the result of the Annual Competitive Rifle Firing, is to be attached to the Half-yearly Report of Gunnery Progress.

CIRCULAR LETTER.

Admiralty, November, 1870.

SIR.—With reference to the Regulations laid down at page 8 of Circular No. 59 of the 6th July last for carrying out the course of Musketry Instruction and Prize Firing;—I am commanded by my Lords Commissioners of the Admiralty to acquaint you that the 60 rounds per man are not in addition to the Quarterly Allowance of Ammunition laid down at page 196 of the Addenda; and further, that the Quarterly Allowance for the whole year is to be used as part of the Ammunition expended for the Prize Firing.

I am, &c.

VERNON LUSHINGTON.

CIRCULAR No. 6.—N.

Admiralty, 3rd February, 1871.

(ANNUAL COMPETITIVE PRIZE FIRING.)

With reference to Admiralty Circular No. 59 N of 6th July, 1870, Annual Competitive Prize Firing with Rifled Great Guns may in future be carried out in Vessels on the Home Stations, in the summer, instead of during the last quarter of the year.

Gunnery and Musketry Instructors are not to be permitted

to compete for the Prizes granted annually for good firing with rifled small arms.

The amount of ball cartridge allowed to be expended quarterly is increased to 25 rounds for each Seaman's rifle.

By Command of their Lordships,

To all Captains, &c.

VERNON LUSHINGTON.

CIRCULAR No. 11.—N

Admiralty, 24th February, 1871.

(CHAPLAINS' CABINS.)

With reference to paragraph 8 of Circular No. 77 N, 31st October, 1870 (Duties of Chaplains); my Lords Commissioners of the Admiralty are pleased to direct that, as the object of giving the Chaplain the first choice of Cabins after the Senior Executive and Navigating Officers is that he may select that best situated for enabling the Ship's Company to consult him without being exposed to unnecessary publicity, this principle is, in all cases, as far as possible, to govern the selection of those Cabins.

When practicable, special Cabins for Chaplains will be built to meet the above requirements.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, etc.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond

Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification

required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future

time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of the Ordinance of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CLARENDON.

Foreign Office, May 10th, 1855.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a class added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour, or particularly signalled themselves remain undistinguished from their comrades. Now for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with on the Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon

whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a register thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor awards, nor any other circumstance or condition whatsoever, nor the merit of a previous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. In the four other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. Although these scales refer only to Military Officers, they apply also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army, as prescribed in Her Majesty's Order in Council of 11th June, 1863.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Command-in-Chief, specifying his rank, length of service, and date of retire-

ment. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the four other Colonies he may have purchased to the extent of his remission money.

At the expiration of two years from the date of such Location Ticket, the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* Settler in the Colony, and had not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements therein of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown. No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS It has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garland in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save

and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be rewarded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,

W. G. ROMANIE.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia, Newfoundland, Natal, Ceylon, and Western Australia.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

The Officers not entitled to land privileges are Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

In British Columbia a certain quantity of land is granted

in lieu of remission of purchase money. In the four other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the force in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such force, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall

be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of Our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1866, instituting a NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration," to be styled 'The Albert Medal,' and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of

attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a pattern in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument,

have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garland in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save

and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,

W. G. ROMANE.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia, Newfoundland, Natal, Ceylon, and Western Australia.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Sub-terms of seven years standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

In British Columbia a certain quantity of land is granted

in the event of the death of the person named in the first column of the above table, and that in the event of the death of the person named in the second column of the above table, the person named in the third column of the above table shall be entitled to the same benefits as the person named in the first column of the above table, and that in the event of the death of the person named in the third column of the above table, the person named in the fourth column of the above table shall be entitled to the same benefits as the person named in the first column of the above table.

Although these values refer only to Military Officers, they apply also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army as prescribed in Her Majesty's Order in Council of 11th June, 1885.

Any Officer, desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Local Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, specifying his rank, length of service, and date of retire-

ment. This document will not be issued more than once to the same Officer, and it must, within one year from the date of the Officer's retirement, be presented to the Governor of the Colony, to be stamped in favour of the Officer, and he will then be entitled to any land privileges in the Colony.

The Government from the Office of the Secretary of State is as follows:

The object of the Regulations is to encourage the settlement of naval and military Officers in the Colonies, and to provide for the representation of the Colonies in the House of Commons. The Regulations will require in the first instance a Location Ticket, and for the land which in British Columbia may be obtained, which in either of the other Colonies may be purchased to the extent of his remuneration.

At the expiration of two years from the date of such Location Ticket the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, or otherwise, that he is a bona fide Settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements therein of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will be reverts to the Crown. No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
